An Opening Farewell

Welcome to your own personal recording of the 1976-77 school year. We hope it was one filled with many fine sounds and cherished memories. Through our efforts we have attempted to shape this yearbook and the events of this year into the form of not only a record album but also a photo album in which you, the Monache student body, are the artists.

The sounds of high school, as in a recording, may play in our minds forever, but these years are only a small part of the notes we must play on the scale of life. Thus, as high school is an introduction to life, we have included life in our introduction to high school.

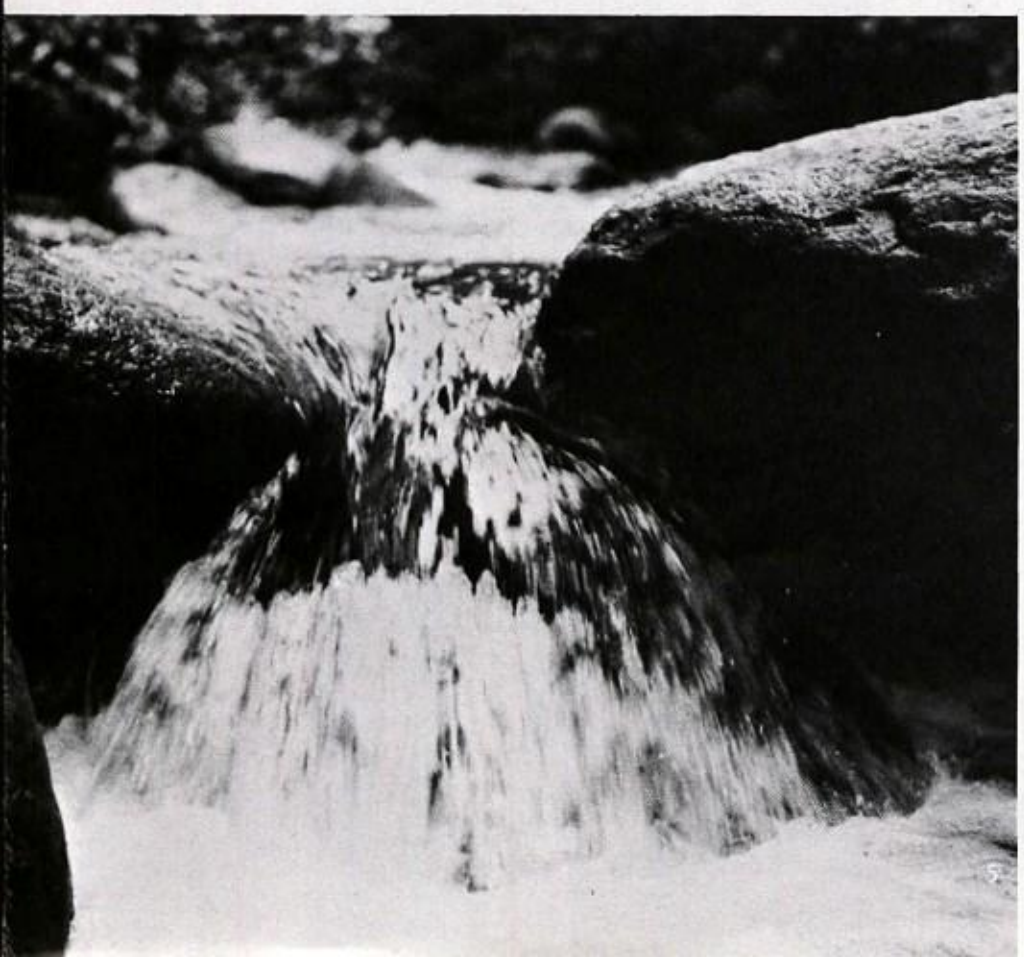
May the color of Monache never fade and the black and white of reality show us the way . . . through life.

Farewell

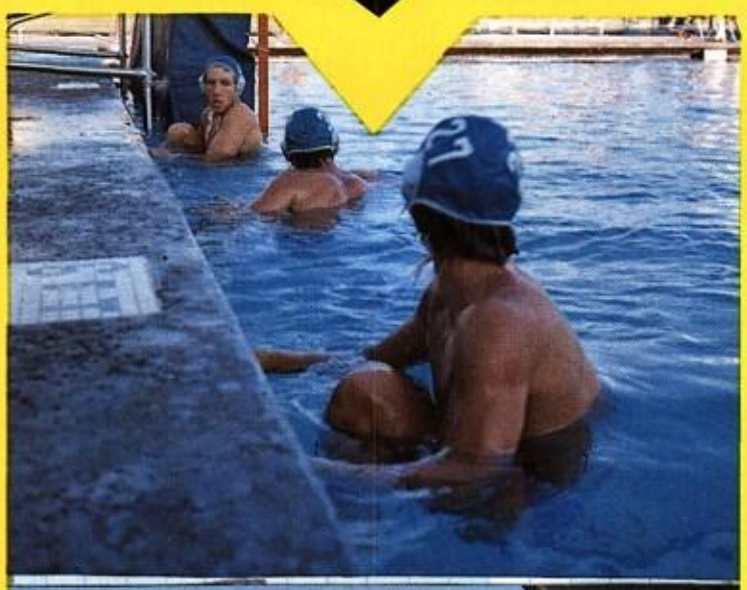
How a storm can move a soul
Passion drops of tears do roll
Across the page I left so plain
Filled with space, and love, and pain.....

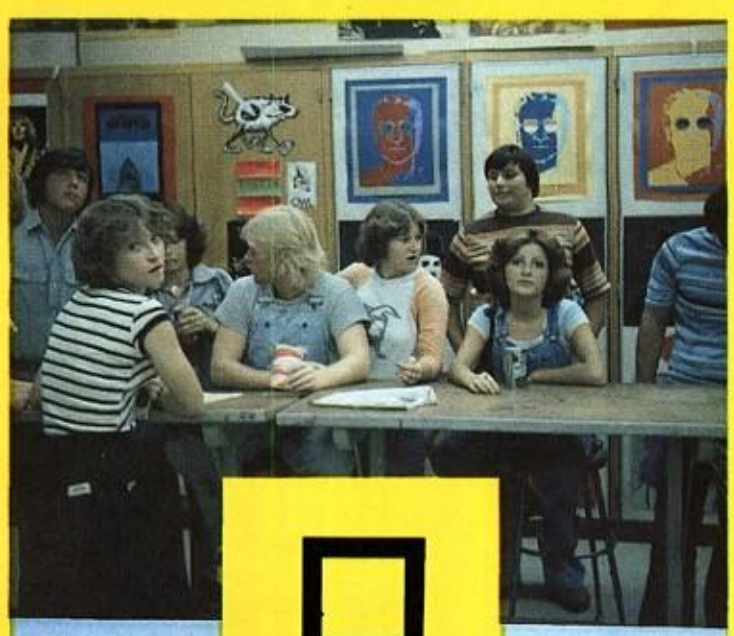
Images of oceans
Waving fond good-byes
Are reflected in your eyes
Like whispered lullabyes
The sorrows of teardrops
Are melting from the sky
And reflected in your eyes
Is the laughter that we cry

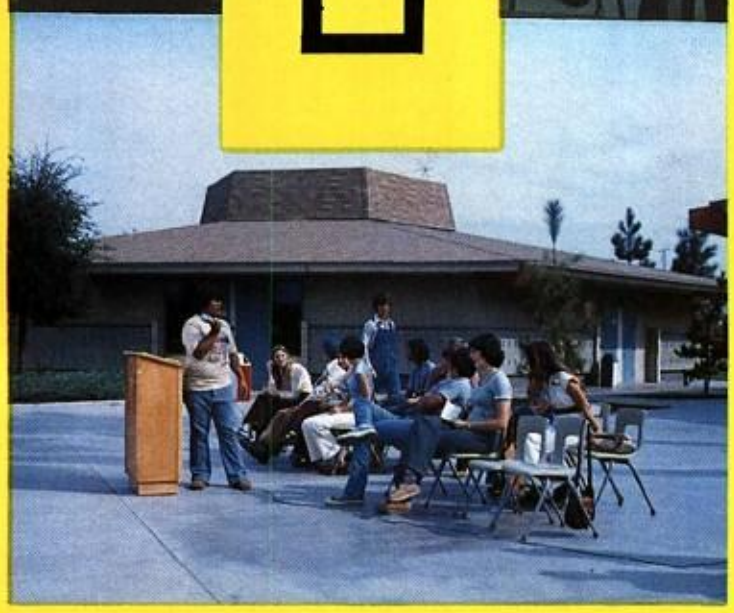
Pictures of clouds
Unknown passers by
Are mirrored in your eyes
With those feelings that have died
You reach out to touch them
But they seem to change with time
And mirrored in your eyes
Are the moments you have tried

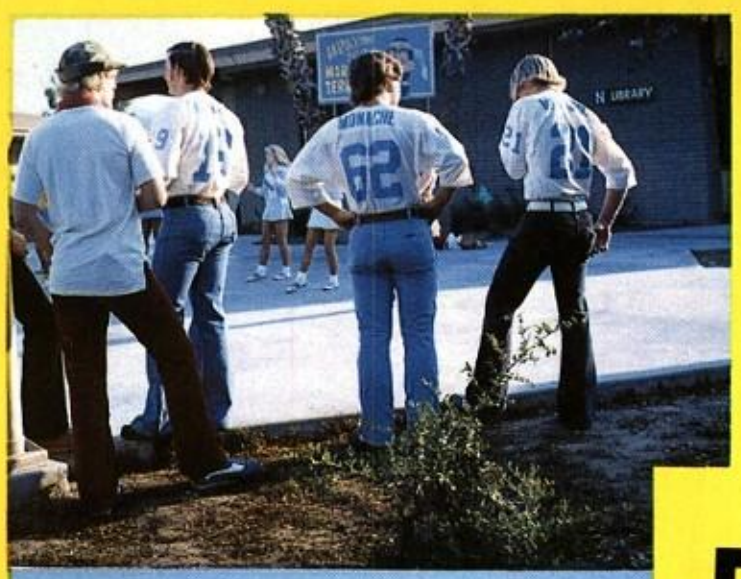


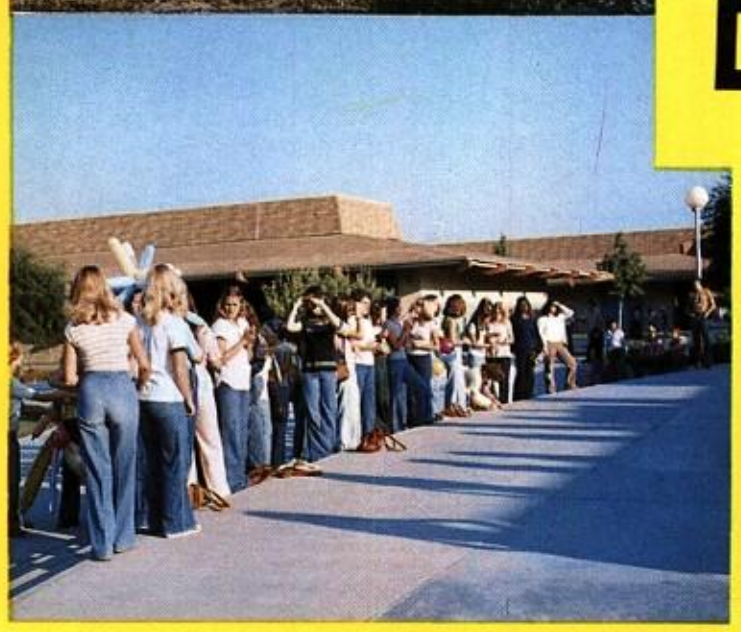
Rivers of emotion
Are sifting through the sands
And the coolness of the waters
Shall soothe my burning hands
My heart has seen the beauty
That my eyes have failed to meet
And the smell of blooming roses
Leaves my senses tasting sweet

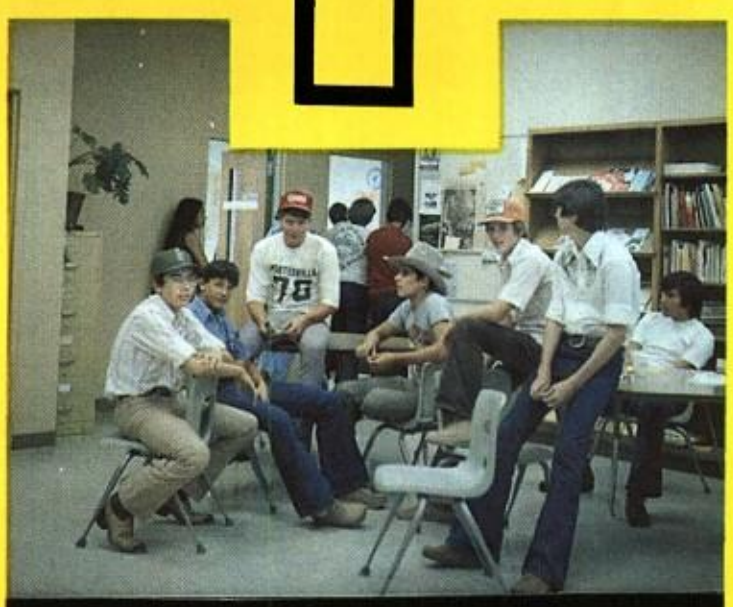


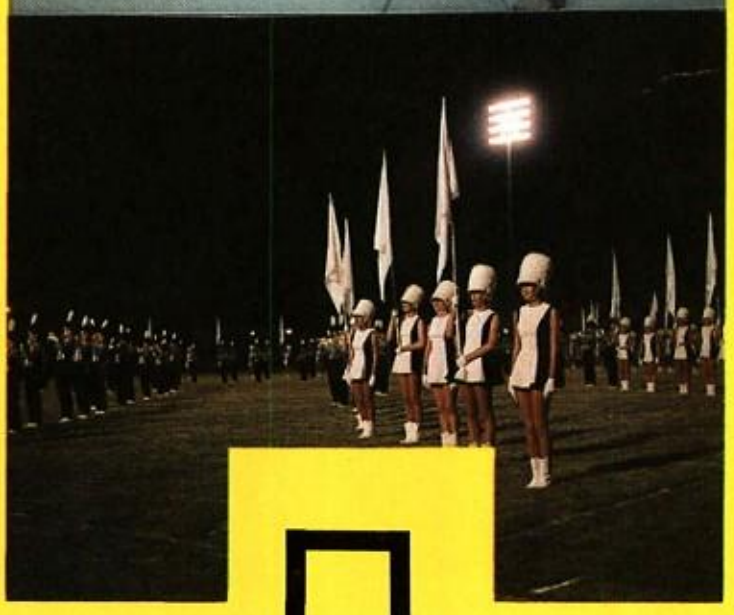


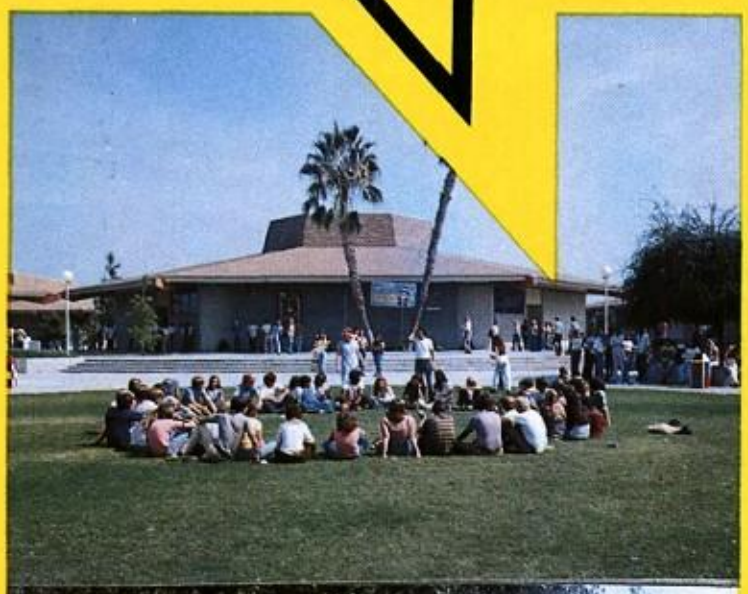


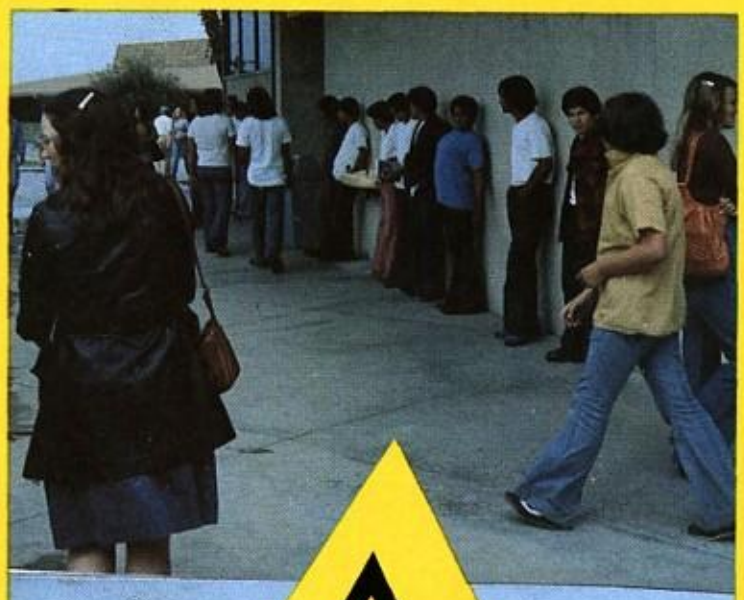


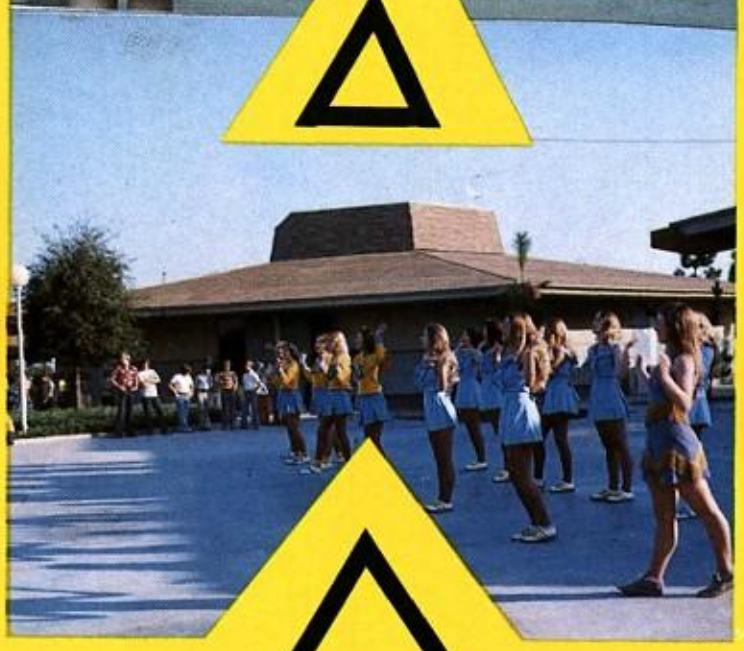








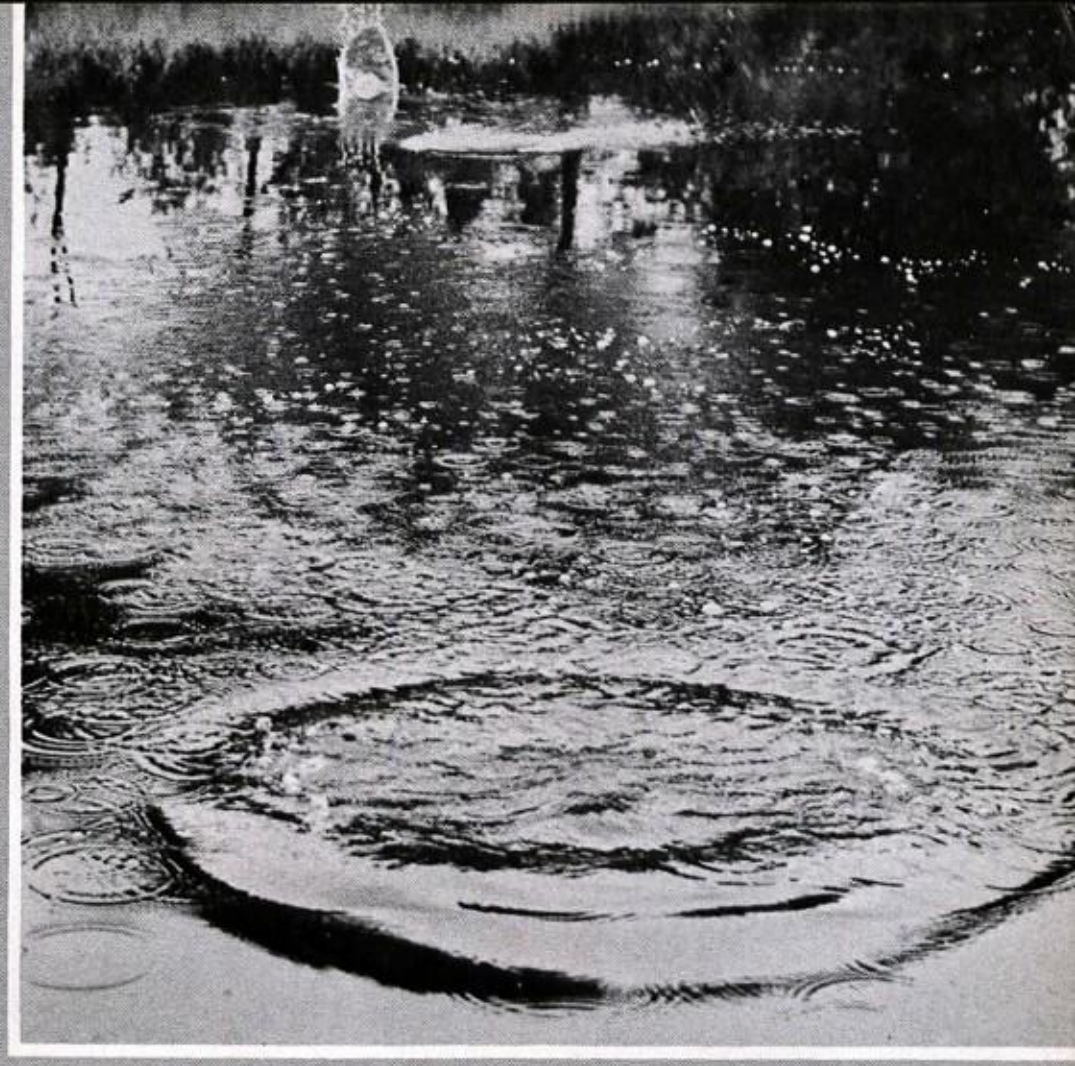




I have been so wrapped
up in looking natural.....
That I have forgotten
how natural it looks
to be unwrapped.....

like an old friend
that has passed
me by.....
Today has betrayed
me.....
I feel as if I have
missed something
..... maybe it was
myself.....

Skipping like a
stone over pools
of emotion —
Only serves as an
escape from
experiencing what
lies in the depths
below .....

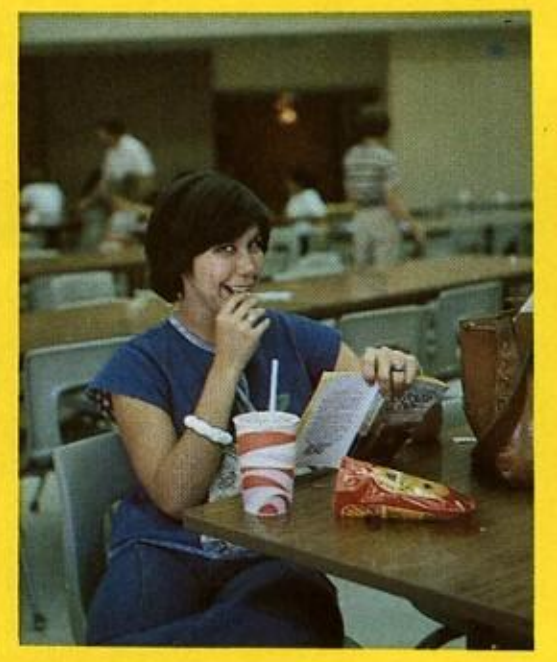


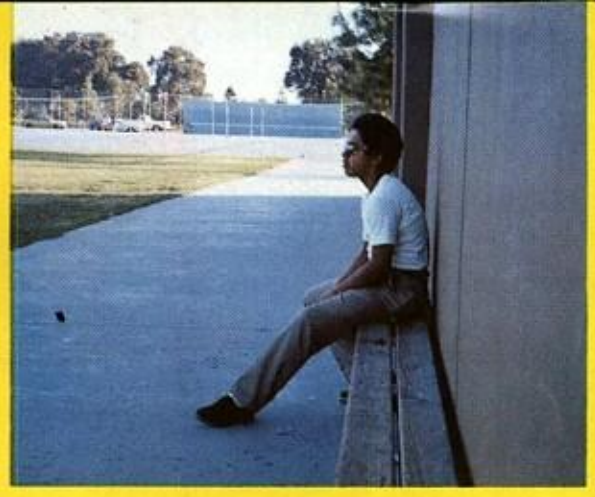
See,
Feel,
Be .....

Be my eyes,
And be my heart —

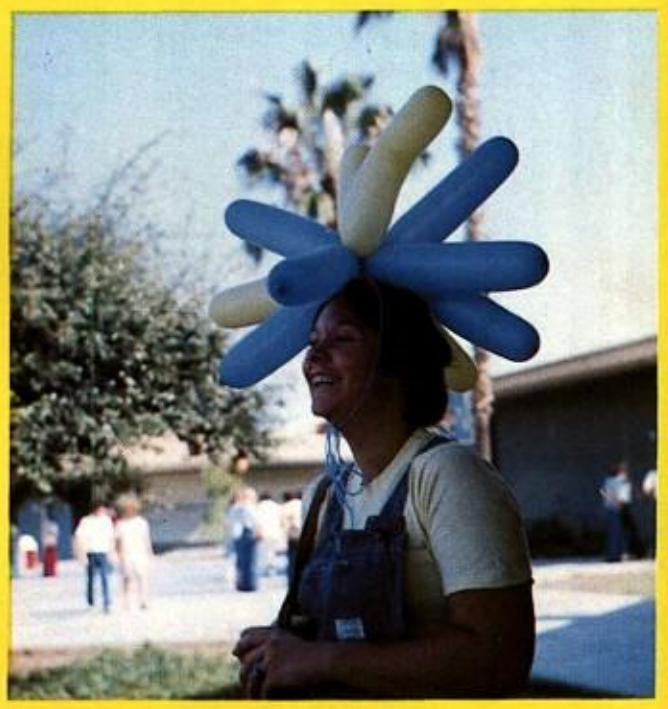
Only then will
you understand me

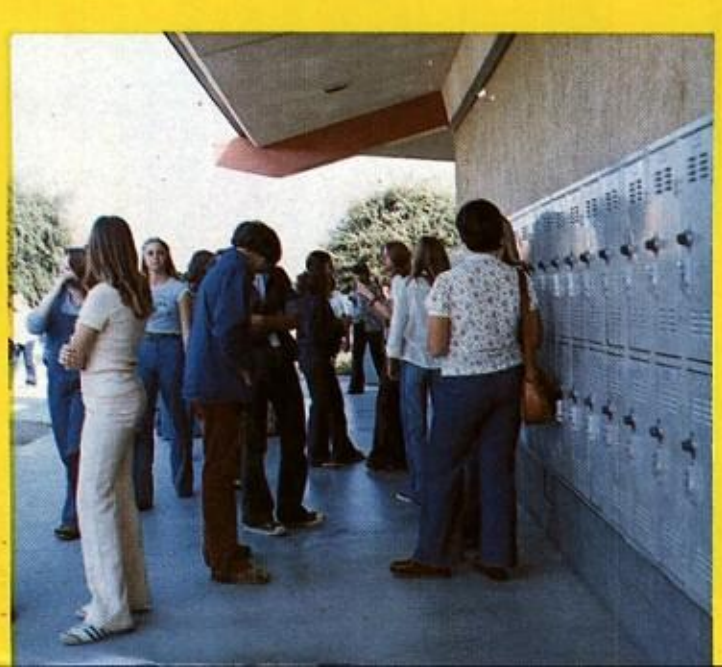
Only then
will you really
know .....



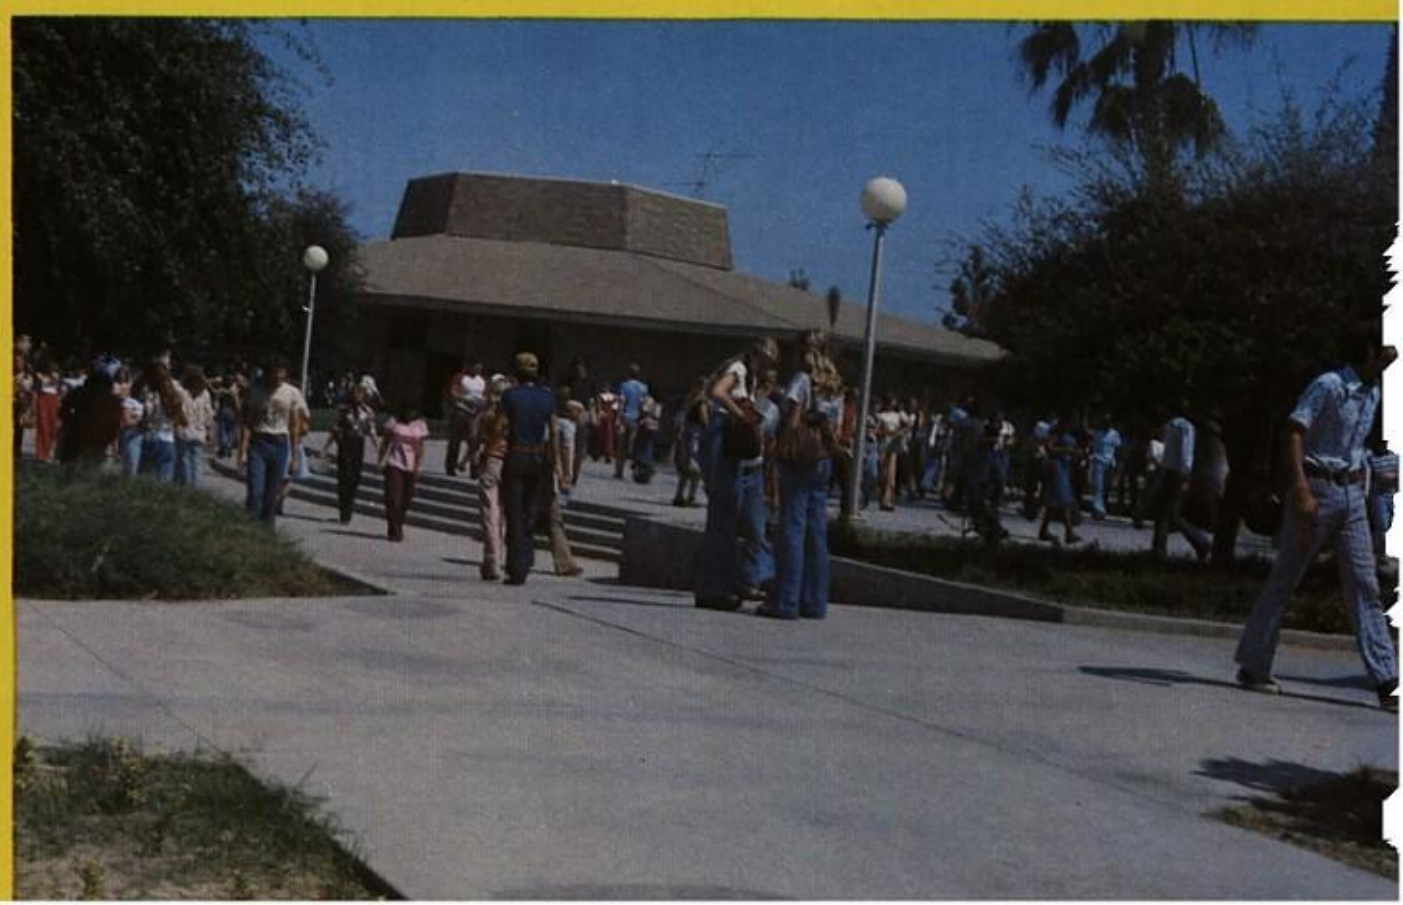


"GOLDEN.....





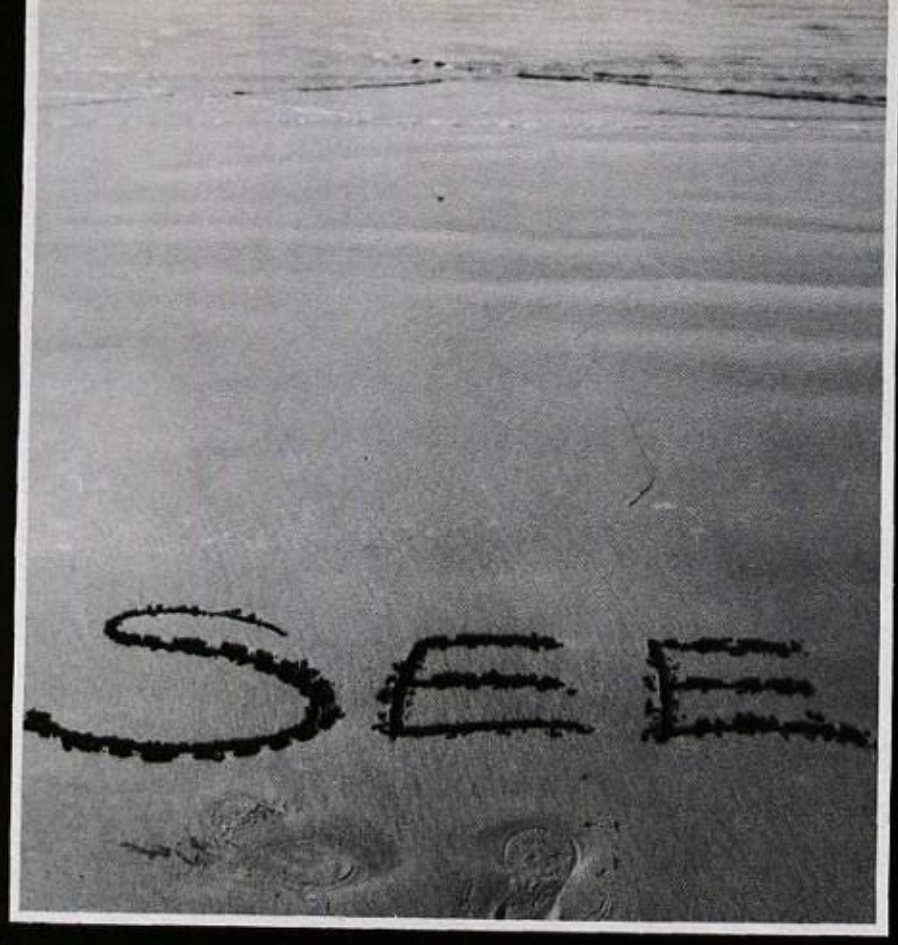
.....MOMENTS”



Tender One
You've just begun
Your walk through life's mysteries
Won't you walk along
And share with me
All the visions that you have seen
All too soon they'll fade away
Like the colors of a bygone day
And the words you write in front of you
Change their meaning before you're through

Young One
Your time will come
All too soon your dreams will pass into memory
So cherish your longing anxiety
And that innocence so young and free
For it will soon be made to learn
That the heat of emotion
Doesn't care where it burns
And the softness of the night is lost
When that loneliness returns
— it always returns —

Cherished One
You must not run
From the things that you don't understand
Too many people
Turn themselves off
By sticking their heads in the sand
And the reality they fail to see
Is that dreams aren't found in fantasy
— words are for writing —
— tears are for crying —



look not for an answer
within my eyes.....
But rather, see one
through your own .....

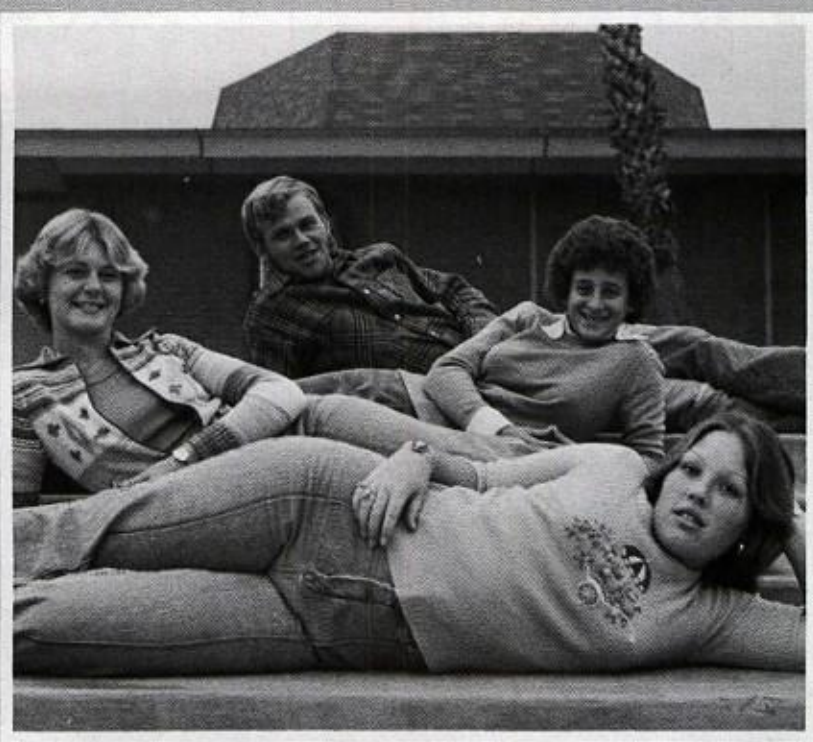
Frosh. Reps: Trent Tenney, Rosemary Frank



Members at Large: Mark Kelley, Sharie Fontana, Syd Lambott, Linda Mankins

Craig Gilstrap presided over the 1976-77 student council which had a very productive year.

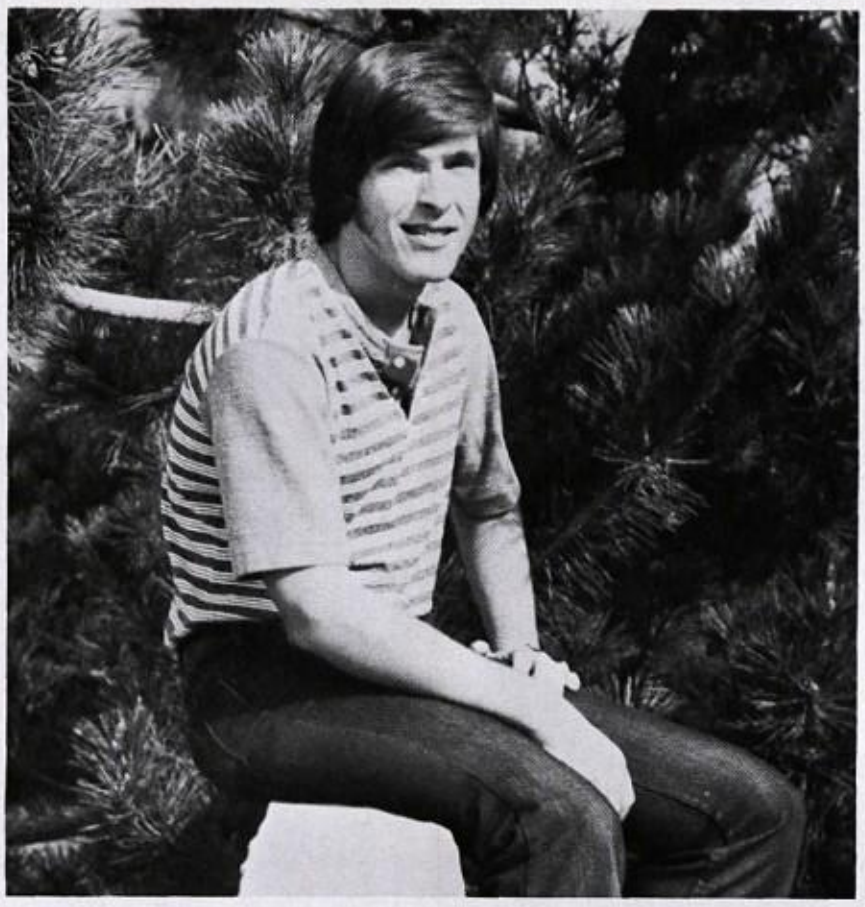
The first impressions made by the student council at the back-to-school assembly and freshman orientation, proved them to be an enthusiastic, imaginative, well-organized, and quite capable group.

Among the usual money-raising attempts and sponsoring of projects, this council began an annual "Battle of the Bands" and created other such unusual activities.

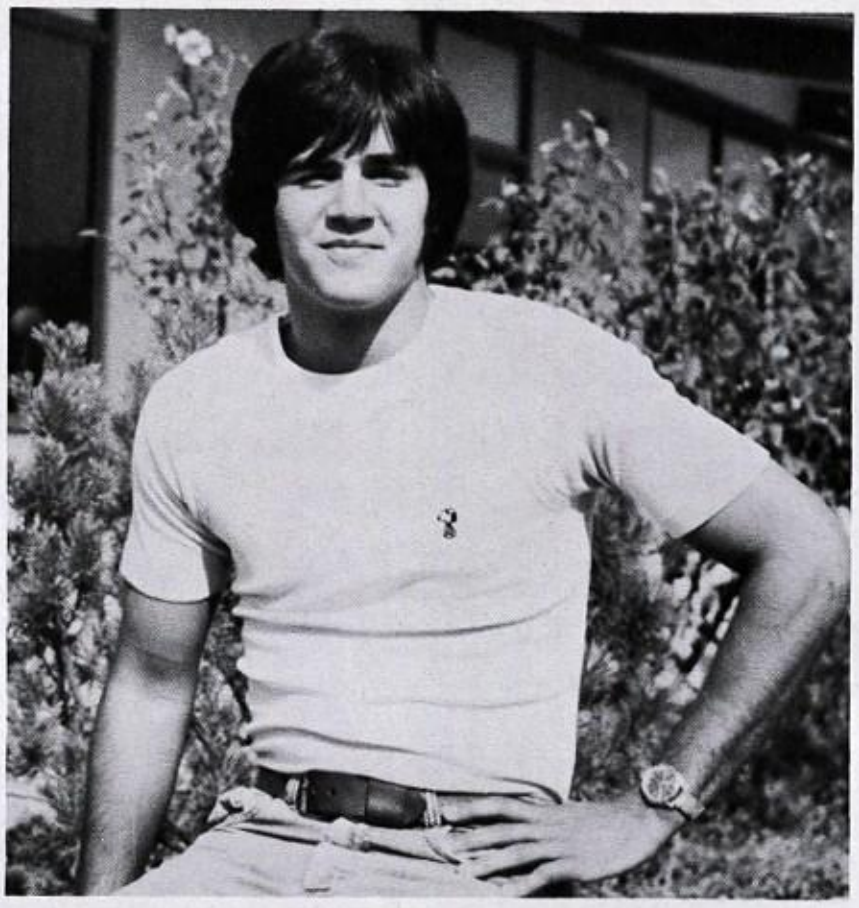
Their goals were kept in clear focus as they worked for them. The success and difficulties were discussed objectively in a weekly evaluation. This seemed most helpful in bringing the council to an open awareness of their relation to the school.

Student Council-students who cared by using their talents in leadership. Though they have so far to go, they've come a long way since...

BOYS' AND GIRLS' STATE



Tim Leming



Randy Burns

Tim Leming and Randy Burns were representatives to Boys' State from Monache High. Both agreed it was a learning and rewarding experience. At Boys' State in Sacramento you learn what it is like to "play" politics for a week. The boys were established into cities and counties and finally into a state. All citizens campaigned in order to fill all the offices which exist in our government. More important than the elections is the actual running of the government, from the passing of laws to the trials of criminals.

The best learning experiences, according to Tim and Randy, come from listening to other points of view and even more from the establishing of your own.

Michele Tenney

Girls' State was an eight-day adventure in Sacramento, California. Over 500 girls attended from all over the state. According to Michele Tenney, representative from Monache High, it was a time of new experiences, new friends, and a lot of fun. The schedule was very tight, full of city meetings, committee meetings, practicing speeches, and gaining new ideas and concepts from other girls to bring back to her own school. Girls' State is sponsored by the American Legion Auxiliary.

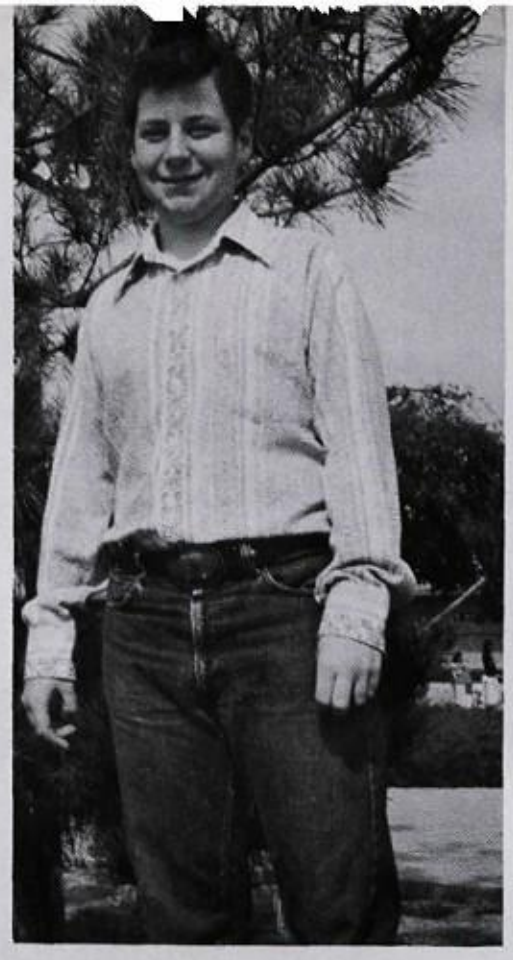
AMERICAN FIELD SERVICE

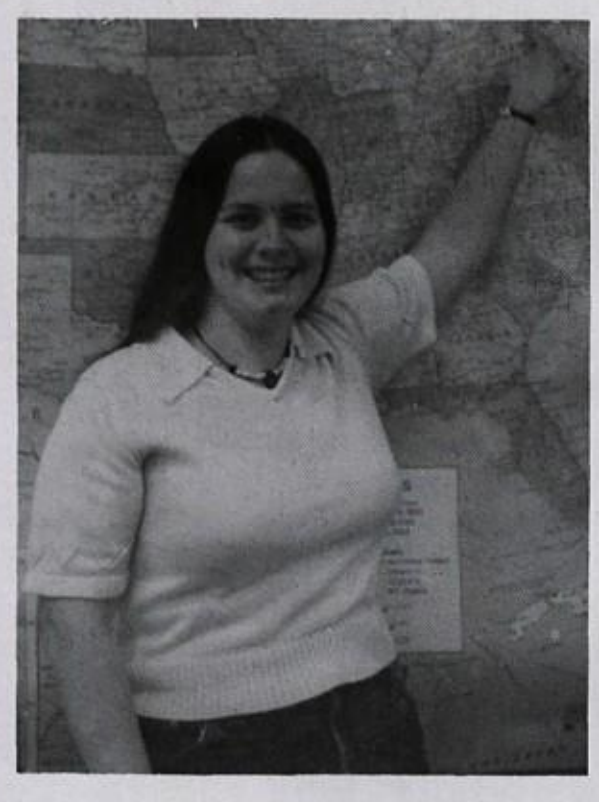
Margit Schumacher



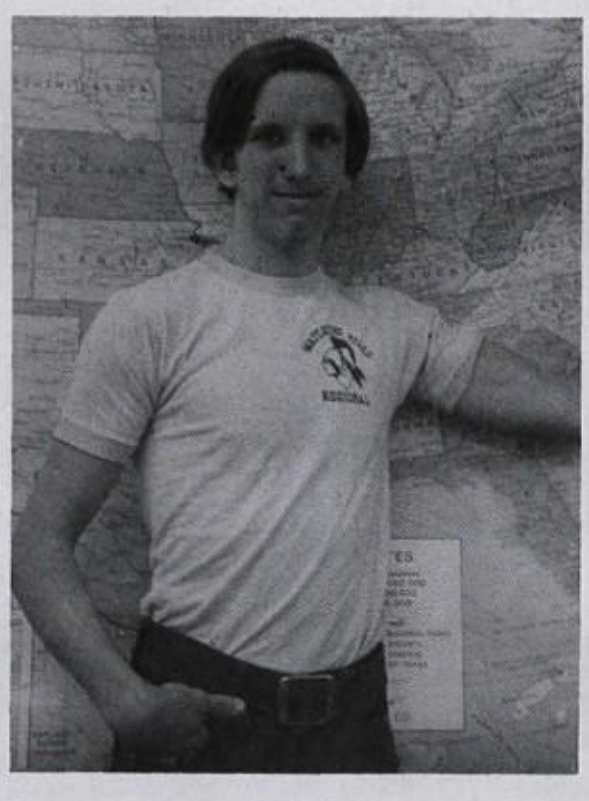
Danny Vanca

Margit Schumacher attended Monache for ten months. Margit is from West Germany. She comes from a town, population 150,000, called Remscheid, which is near Cologne and Duesseldorf. Margit has a sister, Perdita, and a brother, Carsten, and a cat, Kiki. Margit lived with the Warren Rankins of Ducor this year, with sister Nancy, 15, and brother Victor, 17.

Danny Vanca came from West Milford, New Jersey to experience Monache High in Porterville the second semester in 1977. Danny is the younger of two boys. He enjoys baseball, skiing and was a member of the Ski Club, AFS, and student council.



Joyce Clinton



Richard Stadtherr

Amalia Guzman

Joyce was a fall domestic student this year in Pultneyville, New York. She lived with the Chester Peters family on the shore of Lake Ontario. Including Joyce, there were thirteen children in the family. Williamson Central was the high school Joyce attended for the first semester. Asked about how she enjoyed her visit, she said, "My whole experience was beautiful and very memorable."

Richard Stadtherr stayed in Warren, New Jersey, a town about thirty miles southwest of New York City. He stayed with the R.E. Muller family and attended Watchung Hills Regional High. One of the things that Richard enjoyed doing was attending the Broadway plays quite often.

Amalia went to Buffalo, New York, for the second semester of her senior year. She was very much involved in the Mexican/American club here on campus. Amalia enjoyed being in the domestic AFS program.

The 1976 Monoway staff was a group of recording engineers who took the sights, sounds, and smells of our high school, assimilated them, and rearranged them for the student body, in the form of this memory album, this recording. They handled the project like true music-lovers; they listened to the notes, tangled with various scales, and attempted to create a harmony of experiences throughout. The album, in itself, was designed to make graphic each student's realities at Monache during 1976-77. The staff only hopes that these realities will be accepted as lovingly as they were recorded.

The Tribal Tribune staff is a group of madcap magicians who, twice monthly, transformed blank pages into a twelve-page newspaper newsmagazine known as the Tribal Tribune. This year's staff attempted to broaden the concept of a high school newspaper to include columns, literary works, art, and news. The hard-working, creative staff maintained, throughout the year, a high standard of journalistic effectiveness, in combination with a wide variety of applied creativity. Though the newsmagazine was received favorably by some and less than favorably by others, it cannot be said that it did not provoke a reaction.

"2 Scoops, Please"

"First-Class Entertainment"

The 1976-77 Mexican-American Club of Monache did many activities this year, that had never been done before. Among them were a Low Rider Car Show, and a Disco Dance. Headed by president Freddie Martinez, the club was also involved in many other fund-raising activities to help the Mexican-American students become aware of their importance in the school and community. The Mexican-American club has had tamale and enchilada sales, which have given many people a chance to sample food from the Spanish culture. Such outstanding efforts as these show why the club has received the club-of-the-year-award for the past two years.

GIRLS ATHLETIC ASSOCIATION

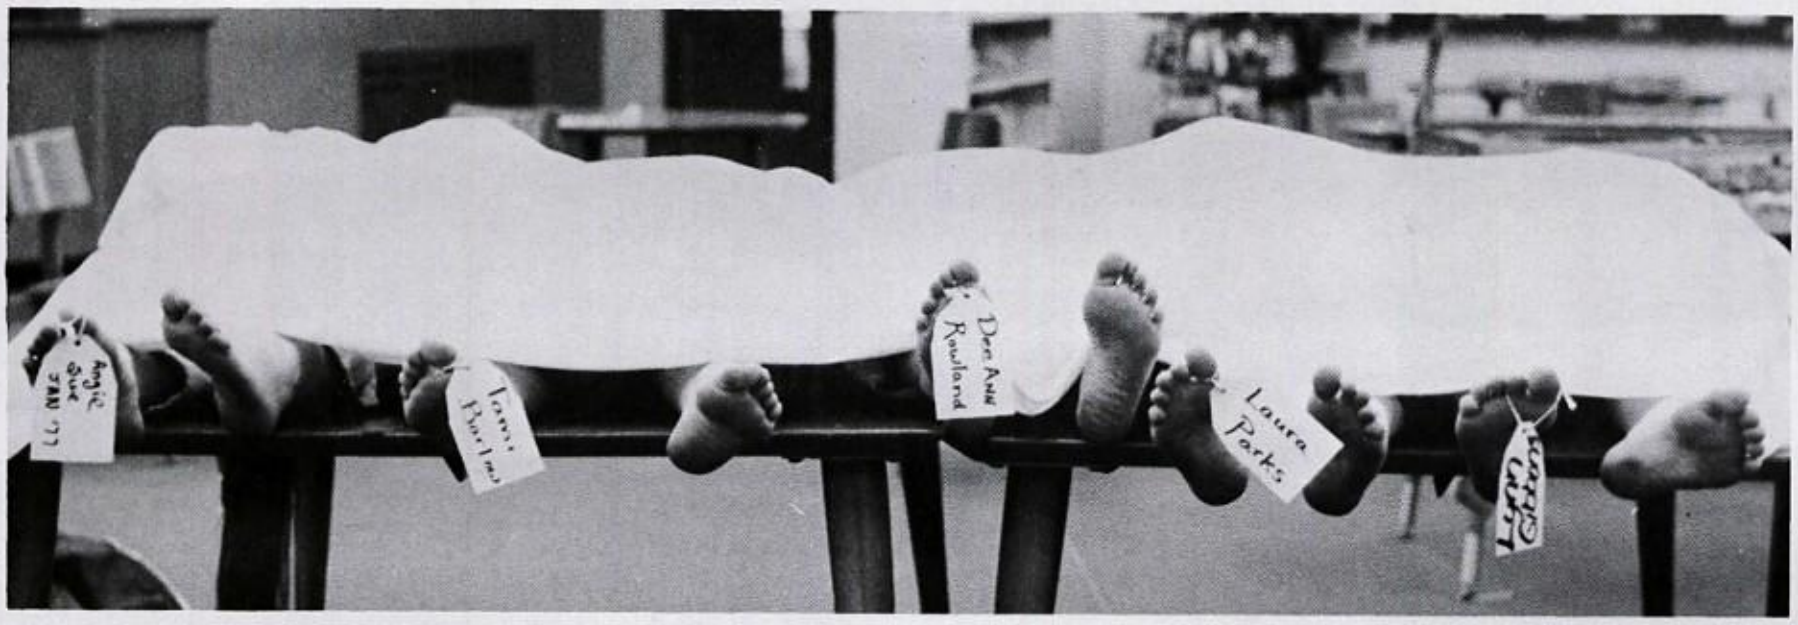
"I'm In To Something Good"

Mrs. Jameson-GAA Advisor

The purpose of the Girl's Athletic Association is to promote a general interest in sports, to develop good sportsmanship and an enthusiasm for wholesome activities. The G.A.A.'s main money-making projects were the selling of sweatshirts in the fall, selling programs at home football games, and making one-of-a-kind buttons for people to buy.

The club also sponsored athletic competitions for members to participate in, and prizes were awarded.

"Rubber Soul"



"Walk A Mile In My Shoes"

President Sharie Fontana

The Finders of the Hidden Spirit was a newly-formed club at Monache this year. The purpose of the club was to involve all junior and senior girls who were interested in renewing Monache's hidden spirit. But to be successful, the club needs the support of the entire school. It is hoped that this club will remain alive at Monache.

Vice-President Dee Ann Rowland

"Good morning yesterday,
you wake up and time
has slipped away. And
suddenly its hard to
find the memories
you left behind,
Remember,
do you remember
the times of
your
life?"

For four years we attend Monache, hopefully preparing ourselves for the "real world." In reality, it does, because there are many kinds of people of Monache, people of many different races, colors, and creeds. But that is what the world is made up of, so, when we look back and these memories at Monache, let us, remember all the people who contributed to these times of our lives.

Free People's Club of Monache

DRAMA

This year the Drama Department did four exciting productions of the world theatre. First, the students put on ROMEO AND JULIET, the famous love tragedy by William Shakespeare. Then, in January, an American musical, SOUTH PACIFIC, was performed. In March and April, several one-act plays were done in competition with other valley groups. Also, the young thespians again presented a children's play, which was enjoyed by young and old alike. The Monache Drama Department finished its season with the traditional outdoor play in the Campus Circle.

"A TIME FOR US, SOMEDAY THERE'LL BE"

SOUTH PACIFIC

"Younger Than Springtime"

"Wash That Man Right Out Of My Hair"

"Honey Bun"

"Happy Talk"

"Some Enchanted Evening"

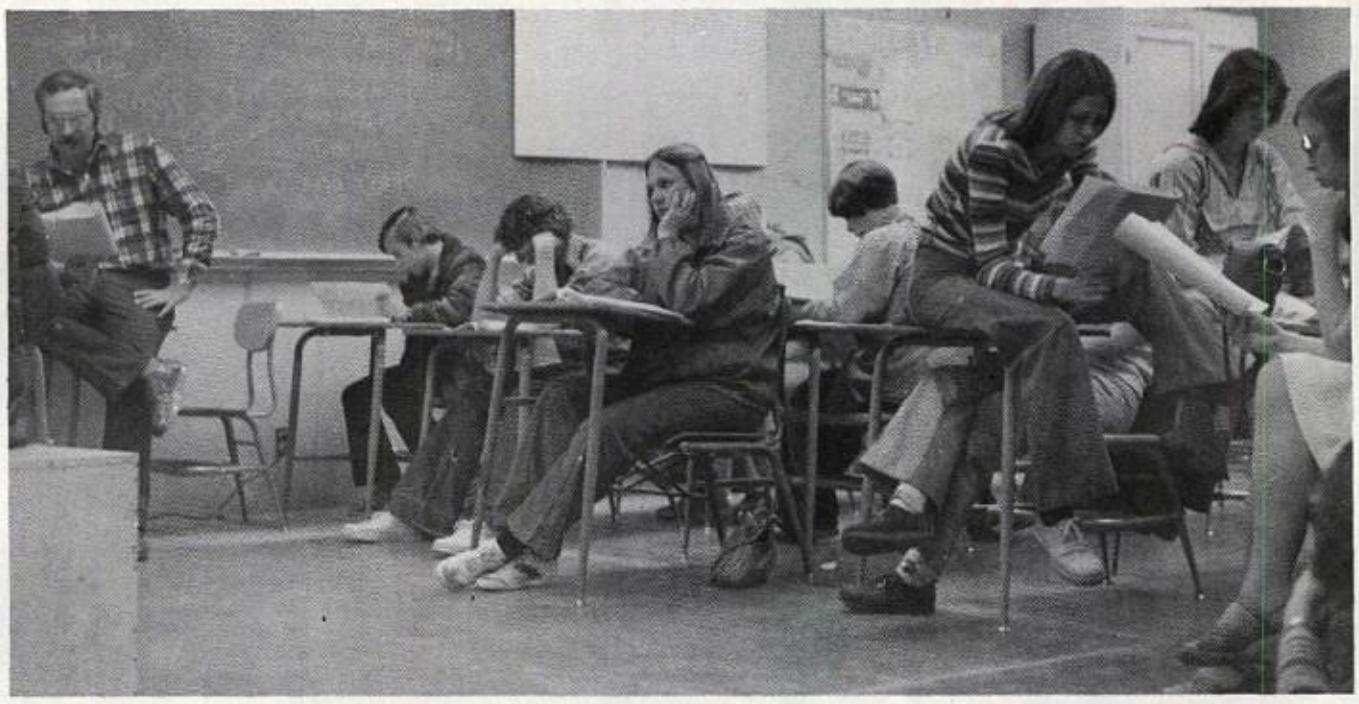
"Nothing Like A Dame"

Monache Drama again proved it has a knack for bringing musicals to life for all to enjoy. In January, under the direction of Bob Briscoe, these dedicated drama students again made Monache proud of the Fine Arts Department by presenting the Rogers & Hammerstein play "South Pacific."

The play was a story of a French planter, Emille de Becque, played by Dan Felix and his love for a Navy Nurse, Nellie Forbush, portrayed by Jana Richardson.

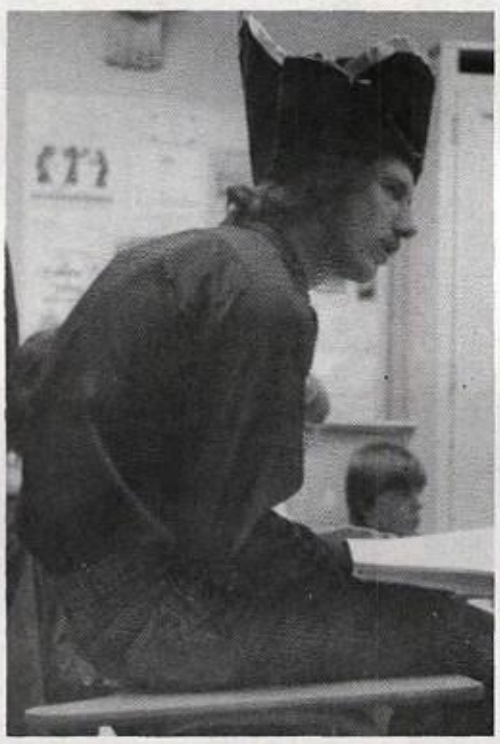
It was also the story of an island native woman Bloody Mary, portrayed by Deldra Buckner, who tried to pawn off her daughter to Marine Lieutenant Joe Cable, played by Tim Leming.

"APPLAUSE, APPLAUSE!"



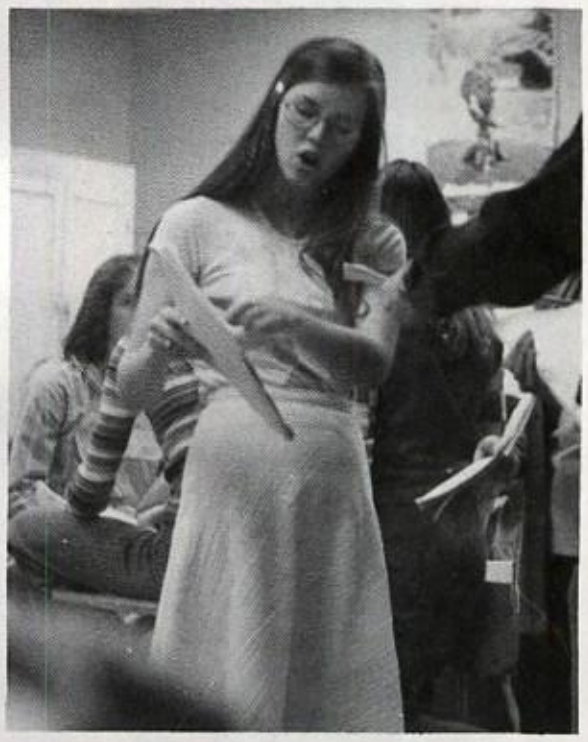
"I Can't Hear You No More"

"Gotta Get Through Another Day"



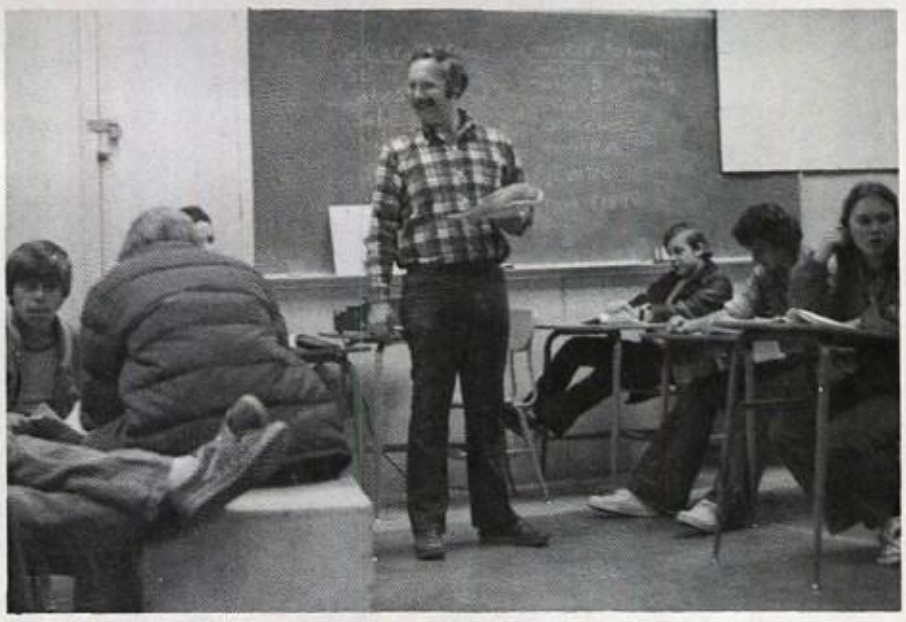
I Think I Can Hear You"

"Don't Ever Change"



"Bitter With The Sweet"

"Song Of Long Ago"



"I Can't Stay Mad At You"

"My Lovin' Eyes"

The Monache drama concluded its 1977 season by presenting "Flowers for Algeron" in late spring. They also did a series of melodramas which they performed for various members of the community. As always, the drama members worked extremely hard to keep up the standard of excellence for which Monache is.

ART CLUB

Perhaps one of the most important clubs on campus is the Art Club, which is always something of a refuge for those Monache students who thrive on creativity and aesthetic achievements. The club members, besides helping out other clubs and groups on campus, work on their own artistic products, thereby making Monache a richer atmosphere for all. Club advisor is Bob Bitner.

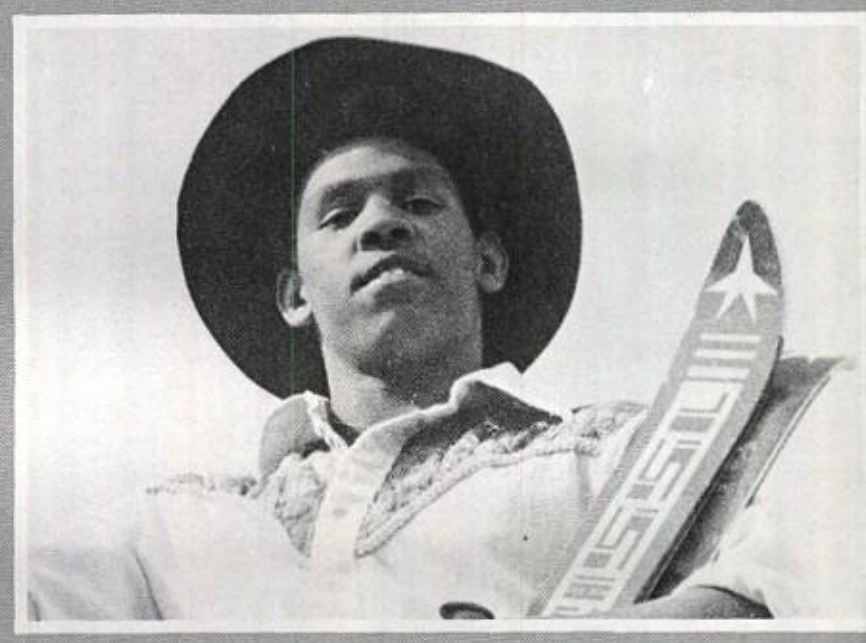
"Helpless"

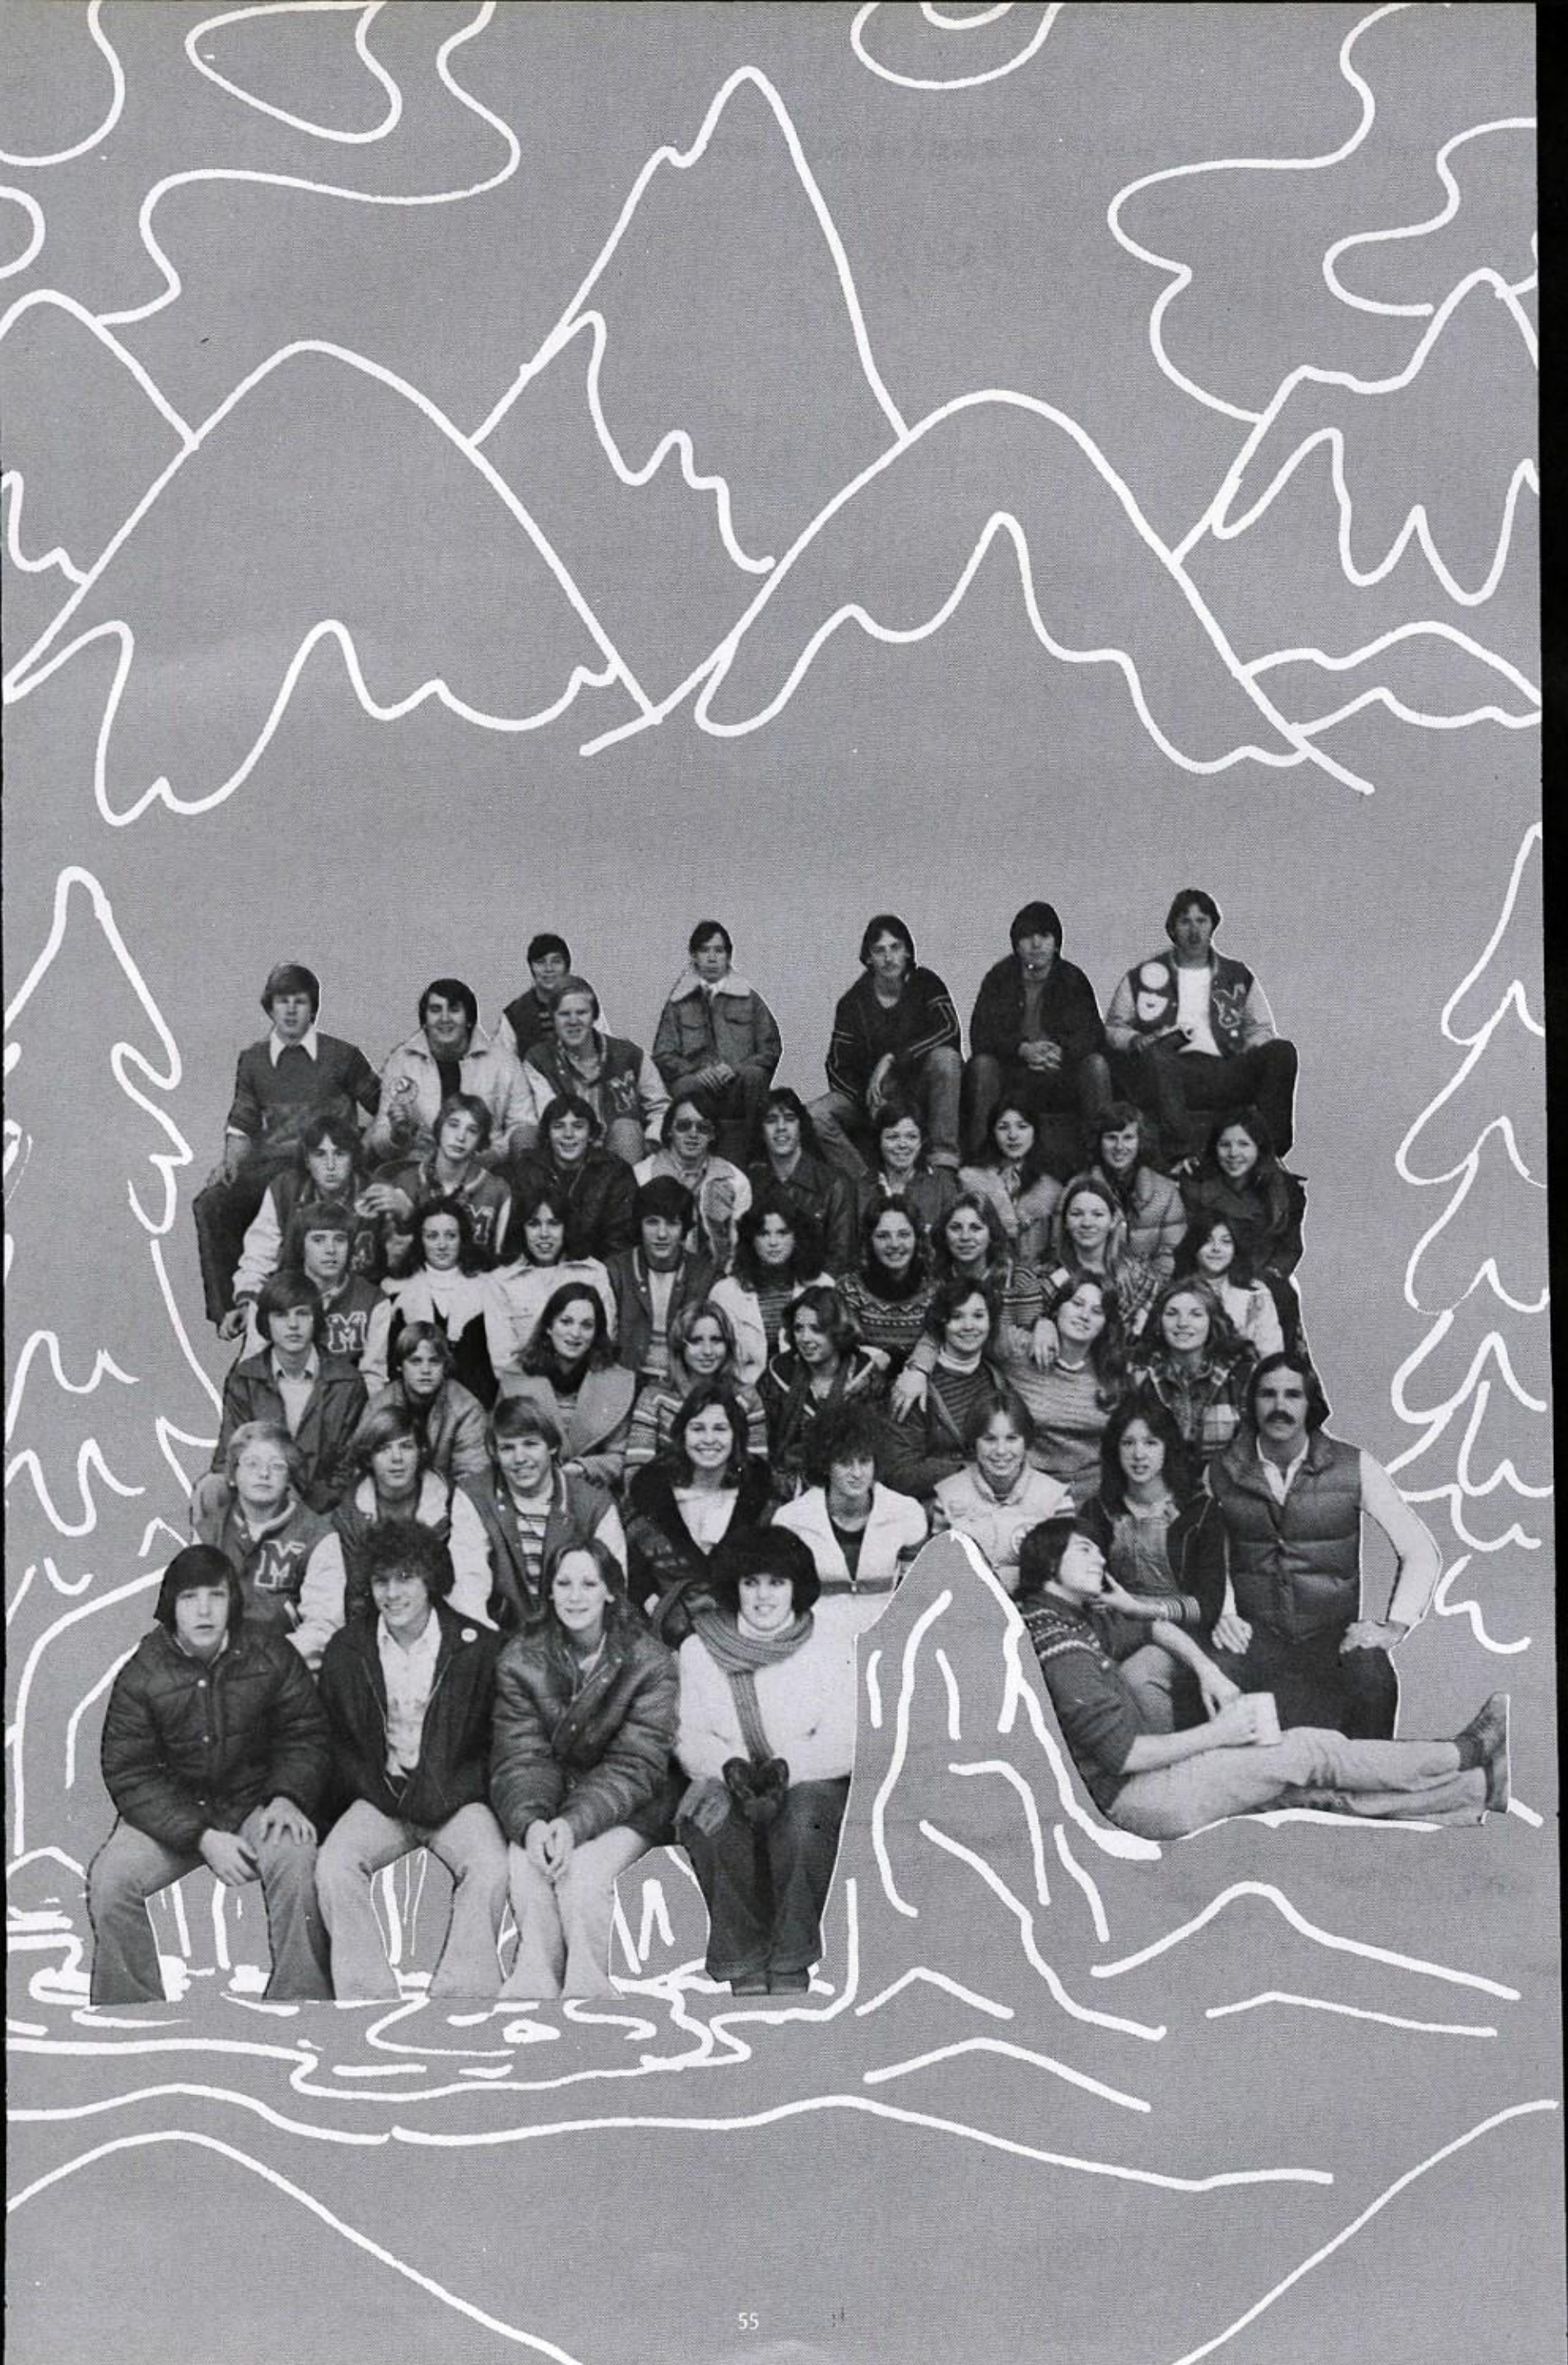


Club Officer: Sonny Booker
"Imagine"

Obviously, with no thanks to the weather, the Ski Club had a difficult time doing their "thing" this year. Even so, the club organized itself, designed an official Ski Club patch, and raised "money for storage" through other activities. During this year's so-called "season", only one day trip was taken, due to the recent extinction of snow. Eventually, this year's helpless skiers, in spite of drought and dryness, will find their imagined white wonderland and the Ski Club will come into its own. Until then though, Lake Success will have to do.

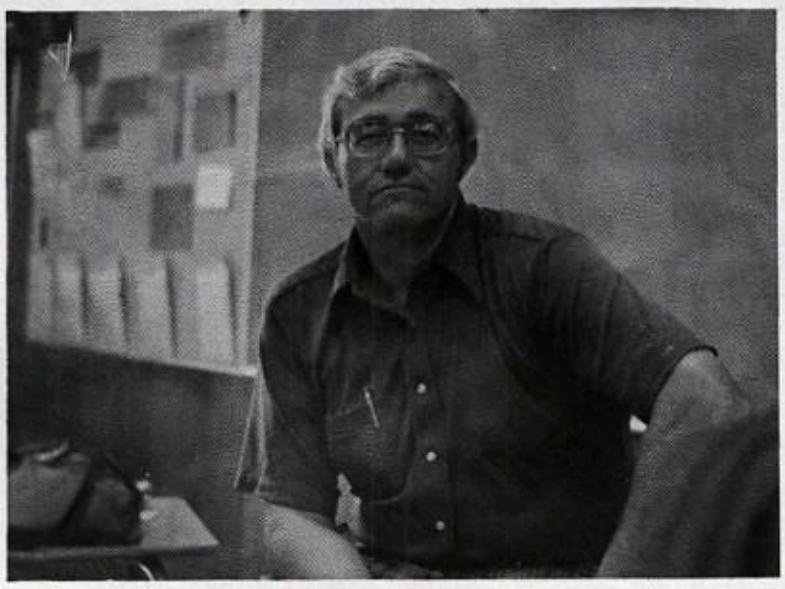
"IT NEVER RAINS IN CALIFORNIA"

SKI CLUB



ADVISORY COMMITTEE

The Advisory Committee



Advisor: Bob Bottoms

The Advisory Committee is made up of students selected to represent social and ethnic groups on the Monache Campus. Meetings are held with each group separately to discuss their specific problems, and leaders are chosen to meet in a combined committee to exchange ideas and concerns and to present ideas for a better, more harmonious and productive campus. Other than refining and prioritizing suggestions for presentation to the administration, the committee's primary activity is the planning and implementation of Human Relations Day. This committee has played an important role in reducing friction and increasing understanding at Monache High School.

HUMAN RELATIONS DAY

"Look Me In The Eyes"

"We Have No Secrets"

"Wasn't Born To Follow"

Human Relations Day is a function developed by the Advisory Committee as a way to increase communication and un-understanding among different groups. This year's activity was planned and carried out by co-chairpersons Debbie Todd and Debbie Watson in the relaxed atmosphere of the Springville Memorial building. Approximately 100 students and 10 teachers participated in the morning get acquainted activities and the afternoon of brainstorming ways to improve Monache. The general feeling at the end of the day was of increased in trust and the need for more such days.

The "Blue Machine" roared its way through the 1976 season to place third in the EYL, after a heart-breaking pre-league season. The Marauders, under the guidance of Ron Kavadas, Jim Crichlow, and Dawrence Rice, pulled through and overcame their first league opponents, the Delano Tigers with a 15-14 win.

The team ended this season with a 3-7 record.

The highlight of the entire season was the clash between the Panthers and the mighty Marauders. The game was the deciding vote for the EYL first position. The final score was 19-6, putting Porterville first in the EYL division.

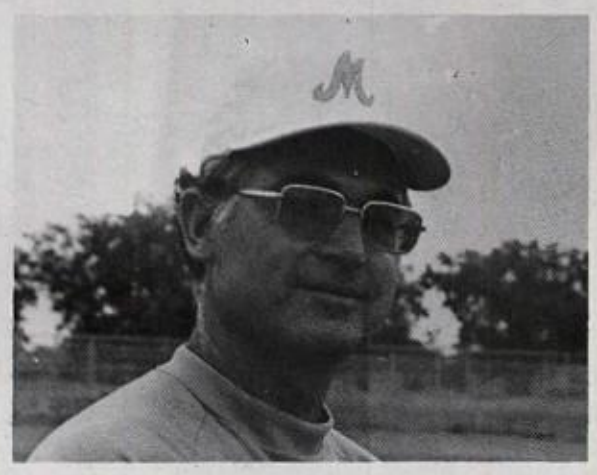
"I'm So Afraid"



Coach: Tom Reiger

The Chiefs had a fantastic season. Coached by Tom Rieger and Travis Bierman, they ended with a 4-1 league record. The J.V. team was undefeated until they faced the Porterville Cats in their last E.Y.L. encounter. This game was the stop-or go point for our team. The final score was Monache 7-Porterville 4, putting the Chiefs in a tie for first place with Porterville and Delano. They went to the play-offs.

The 1976 football season was a successful one for the Warriors for two reasons. First of all, they learned much about themselves as individuals in terms of realizing capabilities and the hard work involved in bringing about success. Secondly, they managed once again to beat Porterville and keep the unbeaten string alive against the always tough Cubs. Outstanding all season long for the Warriors were Hal Roggenstein, Jeff Brown, Don Cogdell, Hartsell, Jesse Esquivel, Dominic Fontana, and Kevin Lisenberry.

This was the first year that Monache had a football team that consisted of all freshmen. As things turned out, it was a very good team, as stated by Coach Jerry Vinson. He and Coach Drew Williams led the team to a tie for the league championship. They let down against Tulare Western, after going ahead of them 6-0. According to Coach Vinson, there are many boys on the frosh team who will be fine football players in their three remaining years at Monache.

The Monache varsity gymnastics team finished the season tied for second in the league. This was Monache's first year competing on varsity level. They won two of four league meets and placed second in league finals. Two girls, Caren Wong and Karin Blevins, qualified for the valley meet as two of the top twelve gymnasts in the league. Varsity captain is Kathy Baggerly, senior. Most Valuable Player award went to Wong, junior. Coach's Award was earned by Blevins, also a junior.

The juniors varsity team, in its second year of competition, finished second in the league. They won three of four league meets and took second in league finals. The team was by returning letterwomen TeeMaree Bussey and Linda Johnson and newcomers CeCe Chamberlain, Amy Chamberlain, and Pam Chamberlain. The team captain was Tee Bussey, sophomore; Most Valuable Player Award was presented to CeCe Chamberlain, junior.

"Madman Across the Water"

The Monache High School water polo team had a tough season, according to Coach Lon Gwyn. They ended with a 2-4 league record. The Most Valuable Player on the team this year was Don Quatacker, the Most Improved on the varsity squad was John Fowler. Captains of the top team were Joey Santos and Skip Chase. One of the highlights of the season was the team's trip to San Luis Obispo to participate in a two-day tournament. They competed against San Luis Obispo's mid-coast valley champion. They also participated in a tournament at Mt. Whitney. According to Coach Gwyn, "A strong point of the water polo programs at Monache High School is the teams' desire to play, teamwork, pride, and the help and support of the parents and faculty."

CROSS COUNTRY

After a fourth-place finish in 1975, the Monache Marauder varsity cross country team, for the first time since 1971, won the E.Y.L. championship. They won it by winning the dual season with a 5-0 record, and then they came on to fight off Tulare Western, the pre-season favorite, in the championship meet. Tomas Rico and Charlie Gibson led the team for most of the season, with Heron Guzman coming on late.

The frosh-soph team also won the E.Y.L. championship. This was a first time ever for the Warriors, and an unexpected frosting on the cake. Championships in cross country are not easy to come by. They take much dedication and hard work. The morning work-outs, the 8-10 mile easy runs, Lewis Hill, the speed and the interval work-outs, and naturally, the psyching, all play a big part in the training of champions.

Coach - Carroll Land

The Monache Marauders of 1976-77 will be remembered as a team that faced many difficulties in the form of personal problems, injuries, but, in the long run, they still had a successful season by finishing third in the league.

The highlight of the season was a thrilling overtime against crosstown rival Porterville, 70 to 68, in the final game of the season. The Marauders were led by Russell Blackwell, who ended his career by breaking both the scoring and rebound records.

The Chiefs had a fairly successful season finishing third in league at 6-4. A few breaks would have allowed them to take championship, but "some gotta win and some gotta lose". The highlight of the season was beating Porterville both times in league. Casey DeVries was named MVP and Russell Long was the team's captain.

Could this be the magic"

This year's team has played "exciting" basketball. They improved so much as a unit that now they are quite competitive with all the teams in our league. In fact, in all our contests this year, we have been "blown out" in only one game. This includes two Bakersfield teams, Lemoore and Reedley. We didn't win the league, but we did beat the teams that finished first.

FROSH-SOPH BASKETBALL

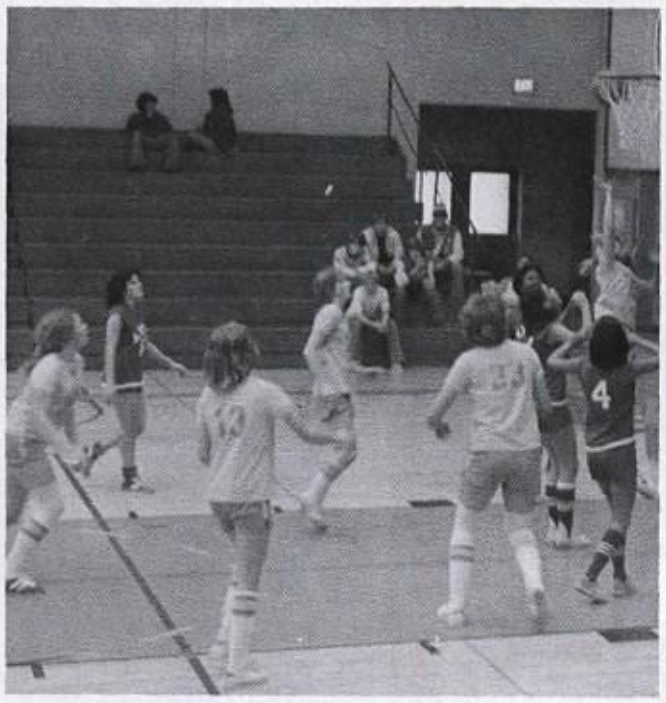
"Stone Cold Sober"

"Carry Your Load"



"Halfway To Paradise"

This was the first year that Monache had a girls' basketball team. According to Coach Delbert Buckenr, the team did an outstanding job all around. The main source of the team was determination and hustle, willingness to succeed and to play to their full potential. They started out slowly, but as they learned to work with each other, things came together and the scores improved. The girls finally ended the season with a record. All of the girls will be back next year, and Buckner is hoping to have a bigger and better turnout next year.

"Fantastic" is the word Coach Drew Williams used to describe the 1976-77 wrestling campaign. The Marauders registered their third consecutive E.Y.L. championship with a perfect 10-0 season, and, in doing so, have amassed an impressive 30 straight wins in E.Y.L. competition. Highlighting the season were the individual performances of E.Y.L. champions: Tim Vanni, Martin Munoz, Brian Hill, and Mike Landeros. E.Y.L. runnerups were Waco McNutt, Adam Gonzales, Bill Kropog, and Dennis Townsend. To top off the season, twelve of the Marauder wrestlers qualified for the Yosemite Divisionals. Tim Vanni and Mike Landeros both had the honor of representing Monache in the California State Wrestling Championships, after placing in the Valley Finals. Landeros went on to take a second place in state competition.

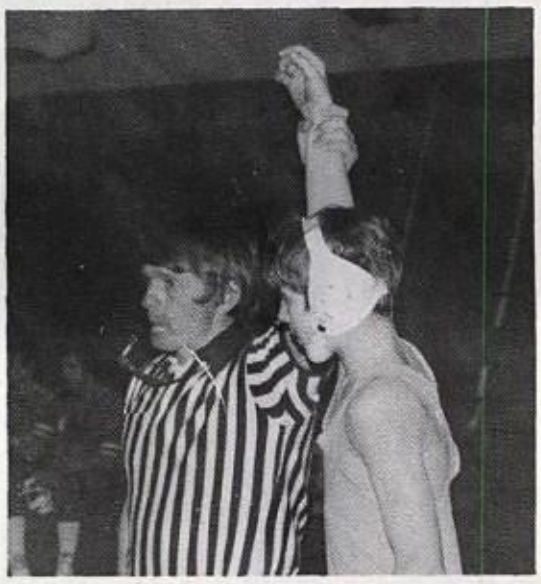
The JV wrestling team was fortunate to have some experienced wrestlers on the team this year. The juniors were Bruce Sarr, Jim Jameson, Tim Dennis, Steve Cowan, Juan Maldonado, and Neil Jones. These matmen could be counted on for wins, which were often pins. Freshman Brian McNutt got every league match off to a good start by beating his opponent. Sophomore Ron Meneses did a good job filling at in 112. Coach Vinson stated that some of these wrestlers could be good varsity wrestlers if they dedicated themselves to that goal.



"One For The Money"

Coach: Jerry Vinson

J.V. WRESTLING

"ALL THINGS IN TIME"

The introduction of Frosh-Soph wrestling has made it possible for many more prospective athletes to gain experience. Coach Marty Swindle, a former Monache Wrestling MVP volunteered his time to the Monache Wrestling program and did a fine job in teaching these young grapplers the basics of wrestling. The Frosh-Soph is still an unofficial team. Monache, Tulare, Delano, and Tulare Western were the only schools to field complete teams. Monaches' team did a fine job, and the boys who wrestled gained experience for next year's J.V. team.

Romeo Suan, Damon McKinney, Chris Hill, George Rodriguez, Stan Jameson, Mark Havens, John Kennedy, John Bradley, Hal Roggenstein, and Ted Rafanan were consistent performers. Mike Patton wrestled Frosh-Soph and J.V.

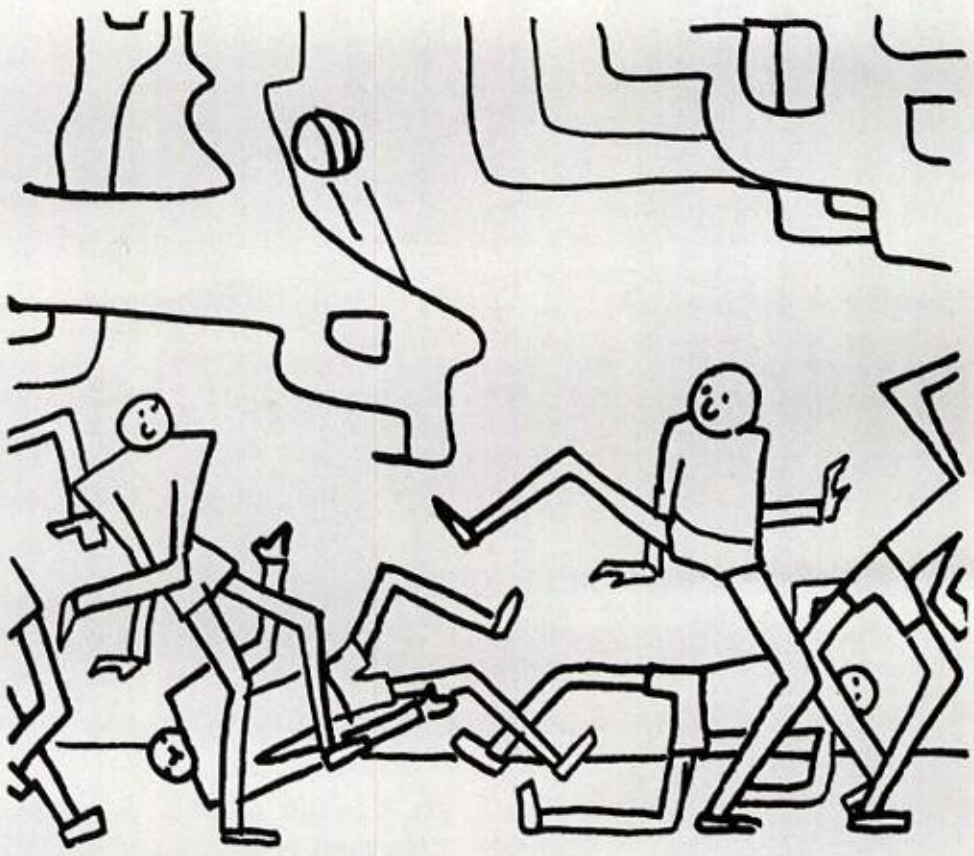
ROW THREE, Silver Rodriquez, David Stolle, Mark Huntsman, Jose Flores, Jose Lopez, Henry Salinas, Mark McKinney, Tim Doyle, Gary Stewart, Ruben Linares.



The Marauder soccer season was a disappointing one, as they finished with a 2-8-2 record. The majority of the season was spent trying to find a replacement goal keeper for Andy Rico, who left the team after the first three games. Gary Stewart and Mark McKinney were fine replacements, with McKinney turning in a fine performance against Delano, after being moved there from a forward position on the J.V. team. Tomas Rico and Jesus Hernandez both suffered knee injuries which prevented them from playing in the last six games of the season. Jose Espino turned in the best performance of any Marauder in Monache's history, and we look forward to seeing him in the professional games. We saw a junior varsity team (non-league sanctioned) which showed a great deal of promise for the coming year.

LIFE

Friendship is not a matter of
being able to ask someone
for help when in need—

But rather, receiving his
understanding without
saying a word

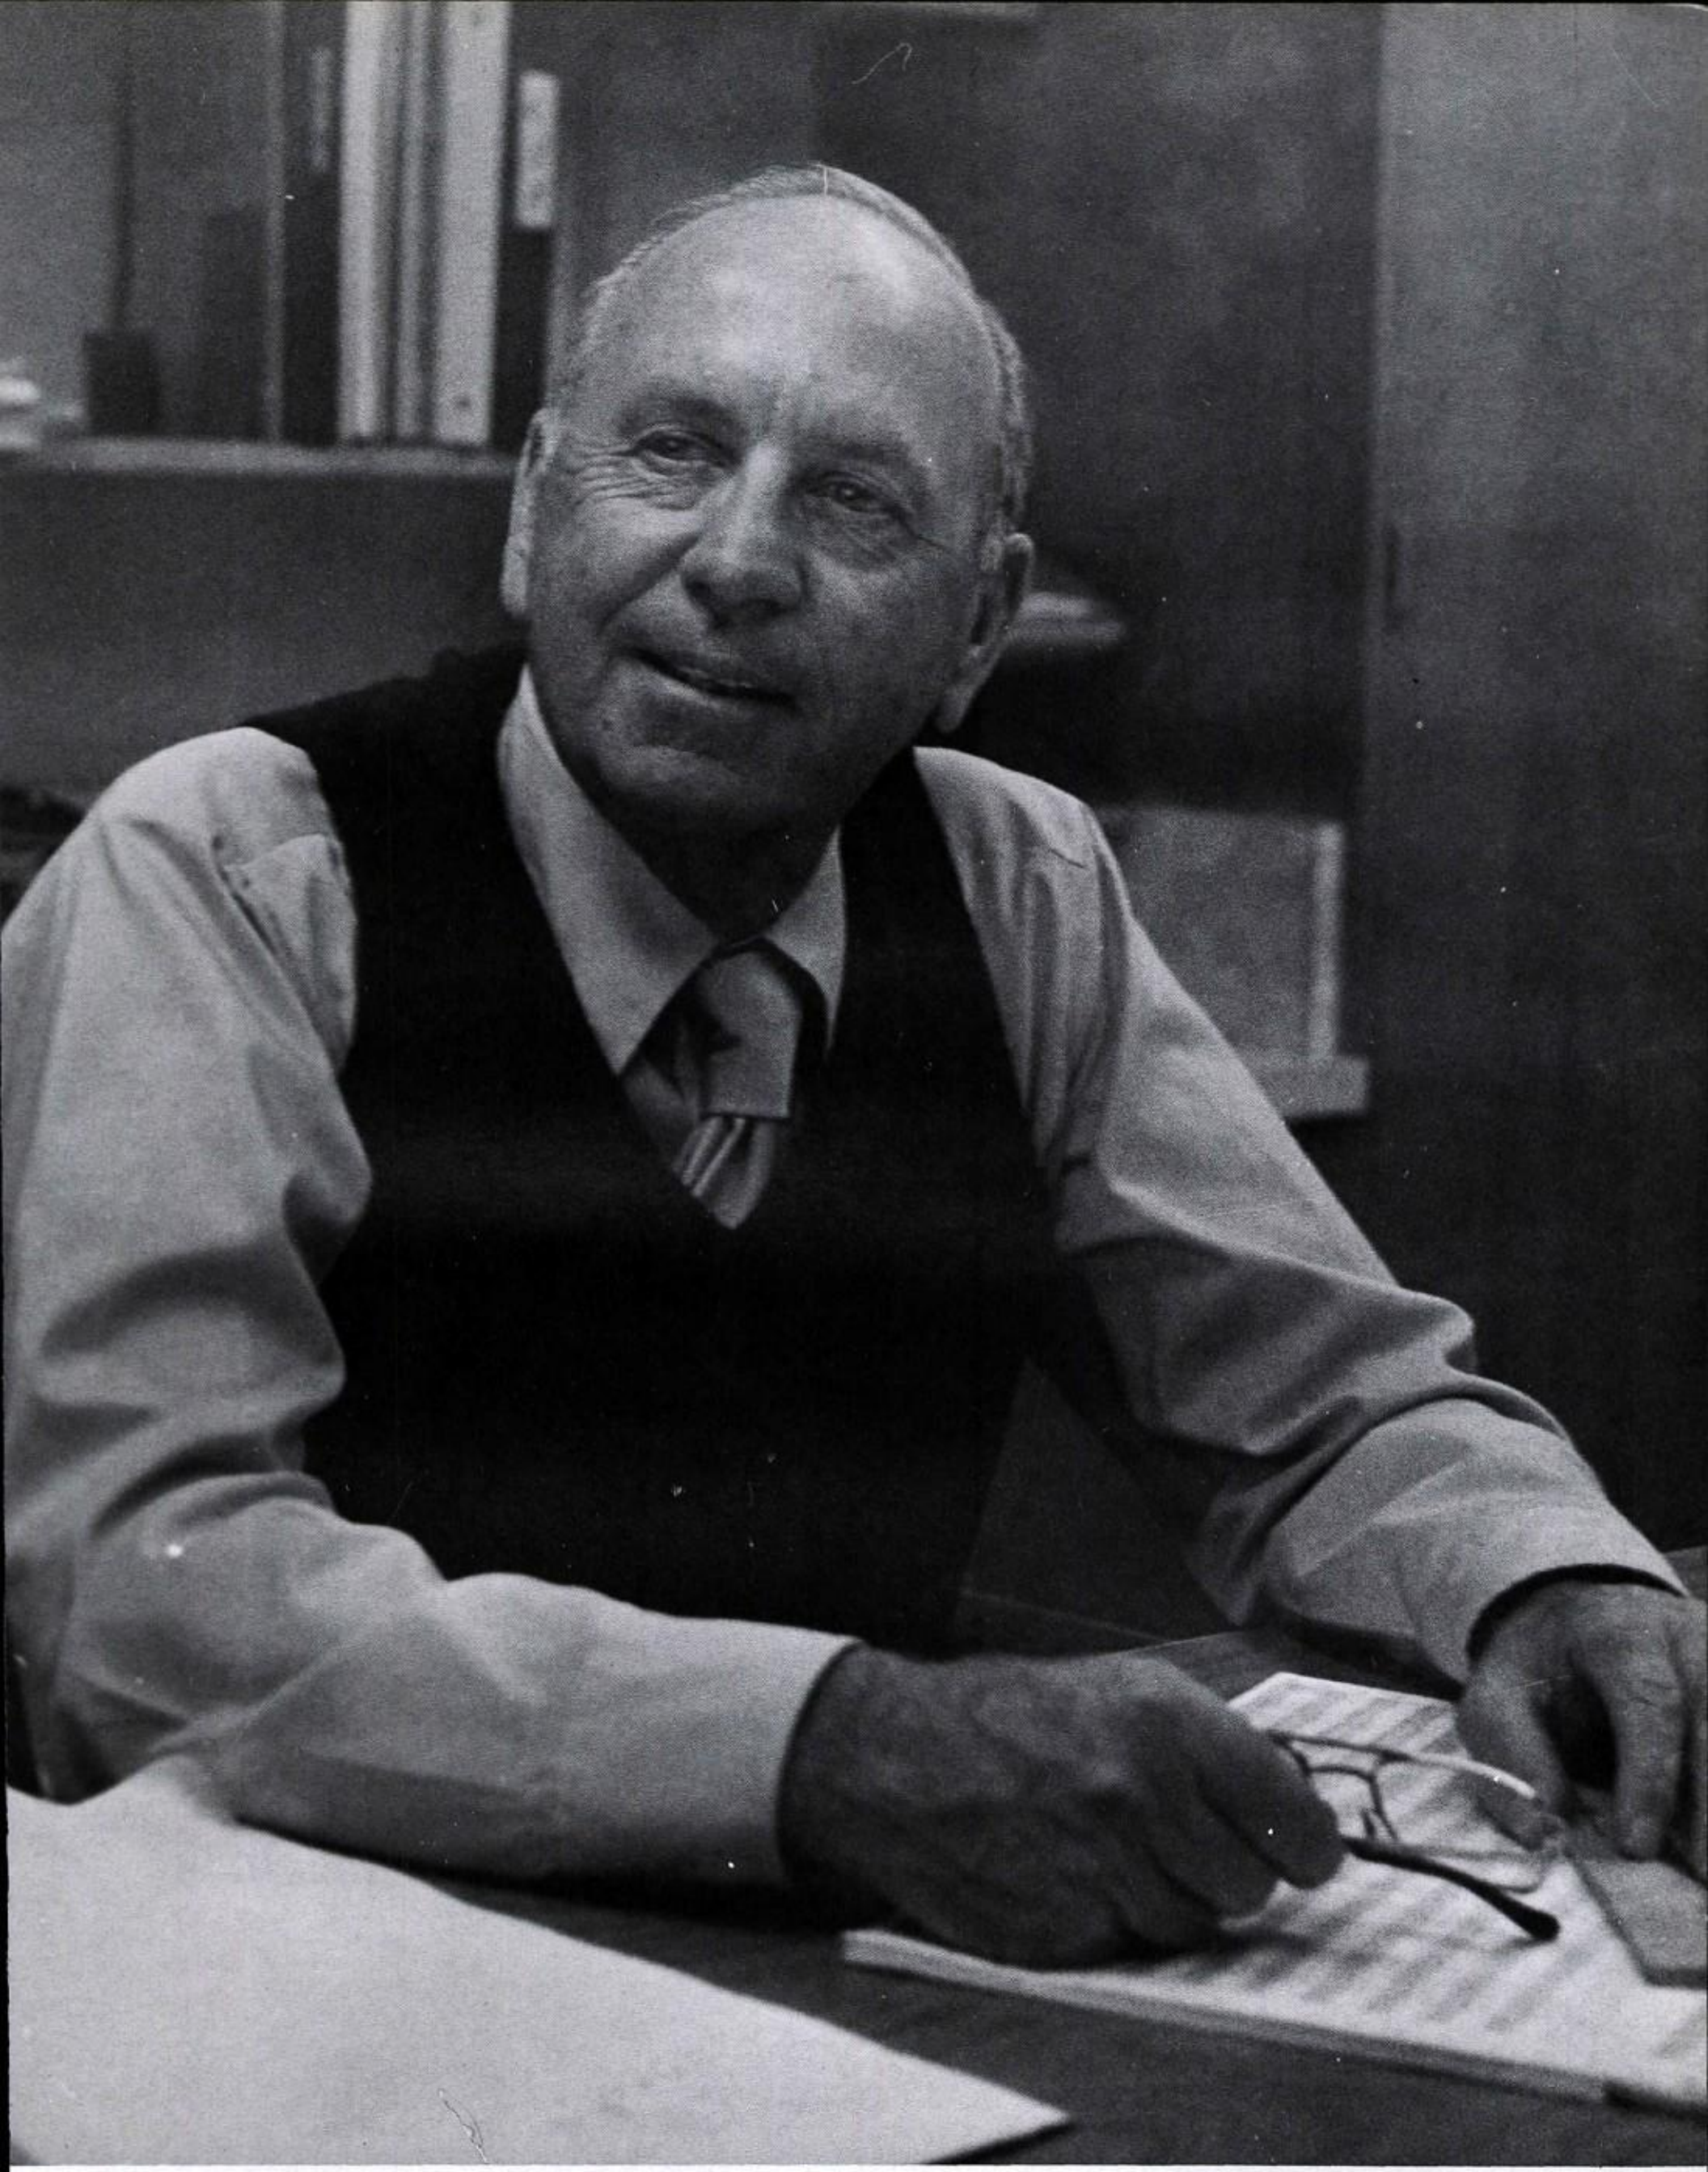
FACULTY.....

My desire is an
eternal flame that
burns deep within—
To know and
to grow is to
feel the ultimate
warmth of
understanding.

He walks silently
fondly storing memories
to keep forever.
This man is
respected and loved;
quiet, yet heard;
known, and yet a mystery.
His manner is calm and unhurried;
He listens to his students
and cares for them.
They pass by him
greeting him in a friendly way.
I wonder if they realize that he will
soon be leaving
and I am curious how he feels about it.
Does he realize
how much he has helped us, or
how much we will miss him?
He has helped us.
We will miss him.

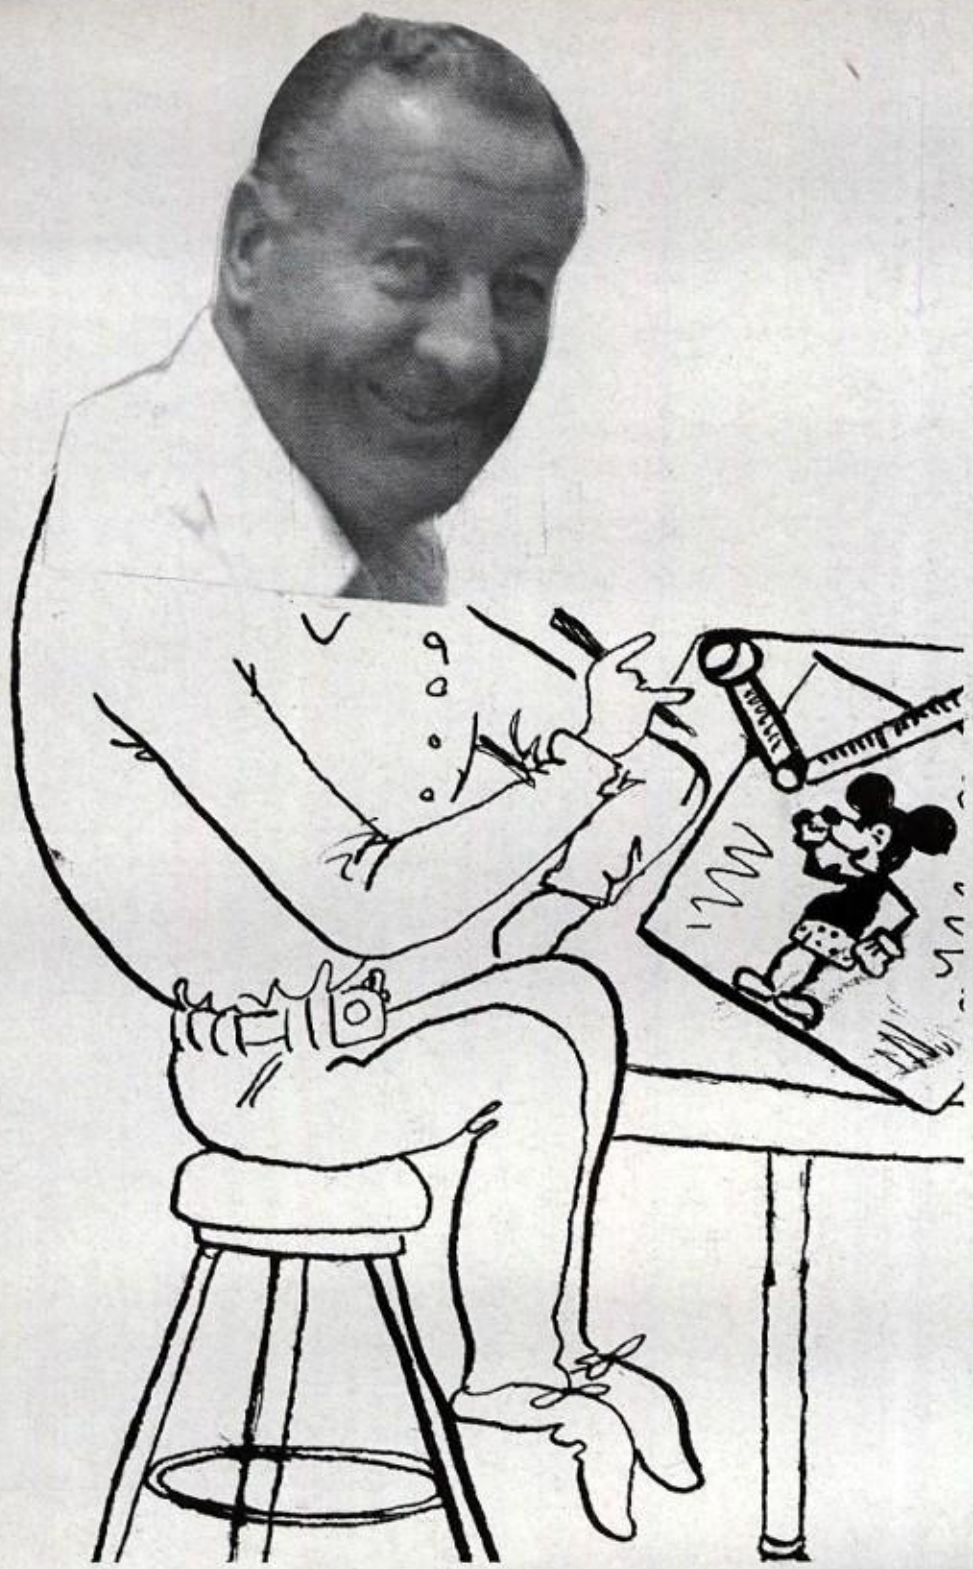
Farewell.

by Suzanne M. Reyolds
Monache, '79



DEDICATION: E. R. BERRYHILL

PRINCIPAL, MONACHE HIGH SCHOOL, 1967-1977



Department Head: Dick Peterson

Glen Burden

The Industrial Arts Department strives to provide a practical educational climate in which each student may achieve his or her highest potential. The department creates an atmosphere in which each student is encouraged to think and reason for himself. The program includes drafting, automechanics, wood-working, metals, electricity, and specific training to earn a livelihood by developing students' skills and knowledge currently required by employers which may lead to gainful employment.

LANGUAGE

"SENSATION, COMMUNICATION"

Betsy Cosart

Anna Atkin

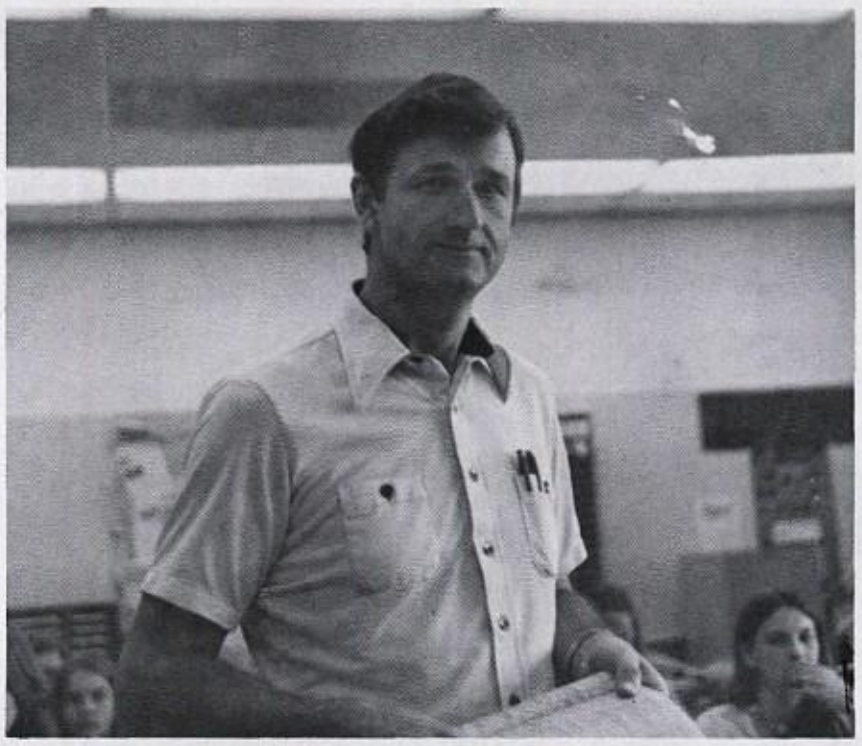
Department Head: Sally Oxford

Homemaking, Clothing, Meal Prep, and Family Living make up the Home Economics Department. These courses are designed to develop the individuals' talents toward homemaking. Each course is more or less thought on an individual basis, so each student progresses at his or her own speed. It is hoped that the students will benefit greatly from these experiences when they are on their own.

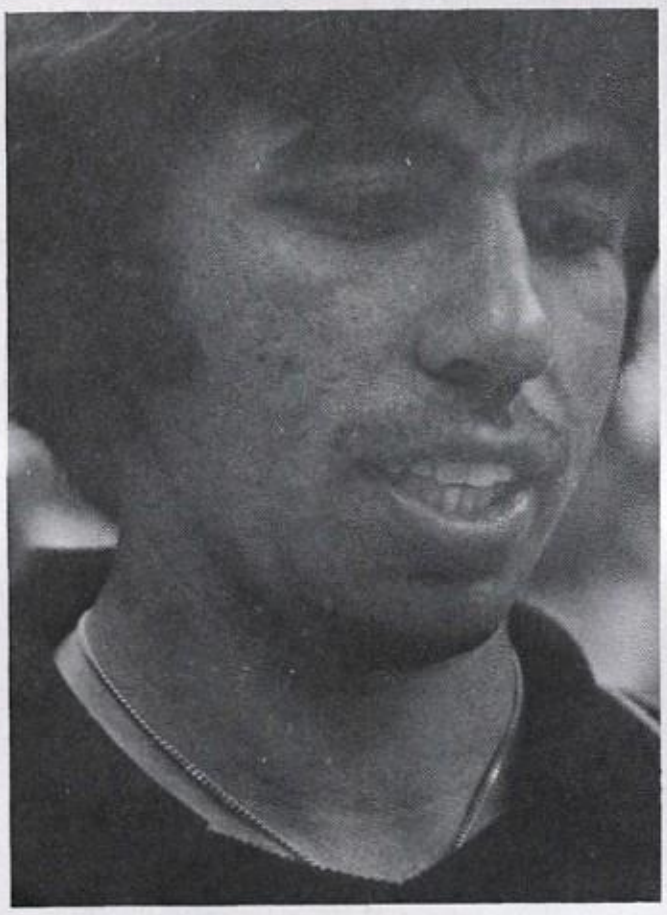
HOME ECONOMICS

"LET'S PUT IT ALL TOGETHER"

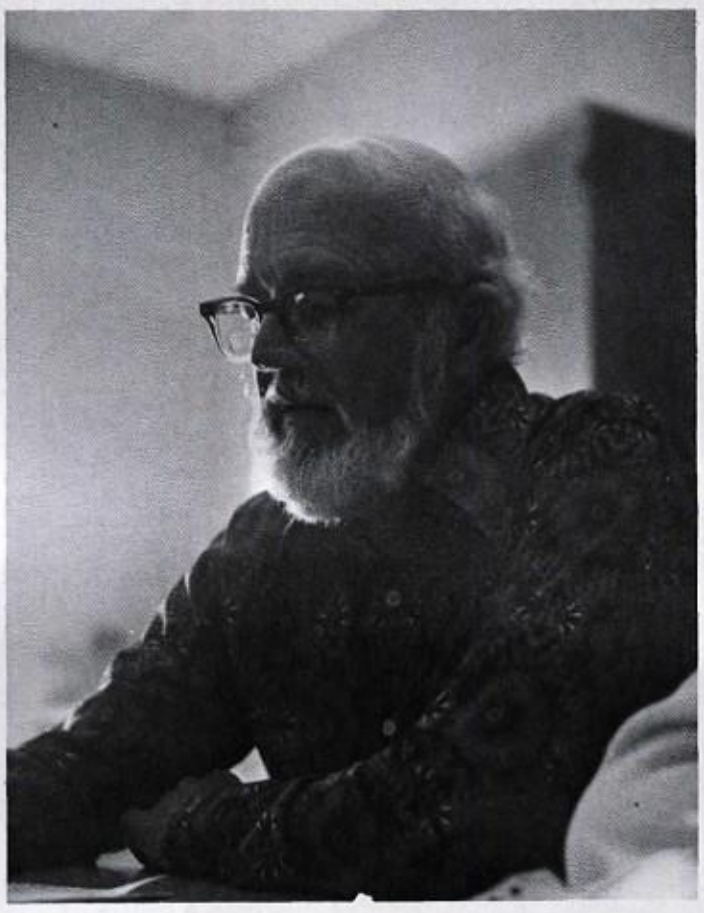
Department Head: Don Bastady



Wade Crawford



Rick Vafeades



Bob Herring

The Business Department is dedicated to the development of the students' minds towards the business world. They study business procedures and are required to perform the basic duties for the different jobs. With these basic skills, the students' employment chances are very high.

ENGLISH

"MAKE A LONG STORY SHORT"

The English Department at Monache, under the direction of chairman, Shirley Hickman, provides a varied and rigorous curriculum for students and teachers alike. Though the department works on teaching basic language arts skills, it does not lack a sense of responsibility to the aesthetics of the English language; both creativity and a disciplined kind of sensibility are taught and encouraged.

SCIENCE

"FAMILY OF MAN"

Department Head: Ed Schoenfeld

For the people with creative interests on campus, there is the Fine Arts Department. This department is made up of art, music, and drama. Art is the department in which Ed Schoenfeld and Bob Bitner are kept busy playing teacher to 380 people every day. Posters and runthroughs, megaphones, movies, belts, purses, decopage, macrame, all come out in a pretty steady stream. The group on campus doing the best acting, of course, is the Drama Department. The Drama Department teaches not only acting techniques, but they also produced several plays which delighted Porterville audiences. The great memories of amateur acting will always be treasured by the students of the Drama Department. The third section of Fine Arts Department is Music. This department has been a source of pride to Monache for many years, and undoubtedly will be to Monache for many years to come. Dale Anderson and Dave Rasmussen, together with the dedication of the students, have brought pride to Monache in the many performances by the band and singing groups. This summer, the band will be Monache's shining star to the world by performing in the British Isles.

John Herrell

Department Head: Monte McKibban

Along with Monache's other departments there is the Agriculture Department. The Ag. Department is vocationally oriented. The students start the program in an Inter-Ag. class. This class gives the students a taste of many different types of agriculture classes. There are four basic areas: Animal Science, Plant Science, Ag. Machines; and Forestry and Ag. Business. Animal Science deals with breeding, care of animals, how to raise animals for show and all other aspects of meat. Plant Science teaches the students how to take care of plants in a greenhouse or farm land. This also teaches the students how to landscape a plot of land. The third section is Ag. Machines, this deals in how engines work. They learn how to make and use gas engines. The cycle of life of a forest is discussed in Forestry. Ag. Business lets the student learn how to manage a farm, to make a profit on crops raised, and what to do when problems arise.

"CALL ON ME"

DISTRICT OFFICE AND ADMINISTRATION

"TAKING CARE OF BUSINESS"

The members of the Governing Board of the PUHS District are, in the last analysis, the backbone of the Monache High School. They generously give of their time and energy in order to manage our high school as efficiently and productively as possible. The five members are elected by Porterville voters for a period of four years, and they meet twice monthly to make decisions regarding school policies, curriculum and faculty. The Monoway staff salutes the dedication of this hard working group. With the other hand we salute the counselors and administrators of Monache high. Both counselors and administrators at Monache always work hand-in-hand with the students to produce a school of which we all are proud.

ADMINISTRATORS

1. Dr. Jacob Rankin	District Superintendent
2. John Gibson	Governing Board Member
3. Edward Cornell	Governing Board Member
4. Virginia Williams	Governing Board Member
5. Sandra Shannon	Governing Board Member
